At Bauple State School it greatly pleases all staff members to observe the students achieving great success with their academic, social and cultural learning in our school environment.

I receive very positive reports from classroom teachers and staff members regarding the efforts displayed by students in our educational setting. Our students striving to achieve their best contributes to the creation of a strong culture of success as a whole school setting at Bauple State School. Our school is a fantastic place where we value education and take great pride in our achievements.

‘Only Our Best’ is what we expect from Bauple State School students at all times. I highly commend all of our students for the fantastic efforts they are displaying towards the educational activities offered as a part of our school curriculum. I look forward to continuing my congratulations to all students throughout the remainder of the school term.

‘Principal’s Award’ and ‘Student of the Week Award’ recipients

The Principal’s Award has been awarded this week to Riley in Year 2. Riley works enthusiastically to achieve great results in all subject areas. Riley completes set tasks promptly in class and takes great pride in his achievements. He is a friendly student who works well in class to continually develop his knowledge in all academic areas. Riley exhibits positive character traits and he is a positive role model for his peers. ‘Only Our Best’.

I would like to congratulate all of the ‘Student of the Week’ award recipients for the effort they have put into their school based activities.

Day for Daniel Morcombe – Friday 28 October, 2016

The Bauple State School Student Council are organising activities in recognition of the annual ‘Day for Daniel Morcombe’ that will be held on Friday 28 October, 2016.

Students in all year levels are encouraged to wear a red shirt or appropriate red clothing items to school on Friday 28 October, 2016. A ‘gold coin’ donation from students wearing red clothing items will be donated to the
Daniel Morcombe Foundation on behalf of the Bauple State School Student Council.

‘Red Icy Cup Drinks’ will be available for students to purchase during the second lunch break at a cost of $1.00. All profits from the sale of the red icy cup drinks will contribute towards the collective donation to the Daniel Morcombe Foundation.

Key Dates for Term Four

Term Four is a very busy time of the year in schools. Teachers and students are always busy engaging in many social, cultural and academic learning opportunities. This is traditionally a time of the year where we socially celebrate our many achievements and host members of the Bauple and wider community to showcase the fantastic work completed by our students.

Please mark these dates in your calendar as we communally celebrate these important occasions.

- Term 4 Student Attendance Initiative: Wednesday 30th November, 2016
- Year 6 Graduation Ceremony: Tuesday 06 December, 2016
- ‘Keys to Success’ FUN DAY: Wednesday 07 December, 2016
- Bauple S.S. Awards Ceremony: Thursday 08 December, 2016
- Report Cards Handed Out: Thursday 08 December, 2016
- School ‘Clean-Up’ Day: Friday 09 December, 2016

YEAR 6 GRADUATION

Please send in photos of your child for the end of year slide presentation. We are after a few baby and childhood photos to showcase during the graduation ceremony. These can be brought in as hard copy photos (we can scan), on CD or USB, or sent directly to jchin7@eq.edu.au. Please speak to Mrs Chin or Mr Snedden if you have any questions.

Queensland Health – Community Dental Appointments for Students

Students and parents/carers have been provided with consent forms and appointment booking sheets for the planned visit from the Queensland Health ‘Dental Van’ to Tiaro during Term 4.

During the next week, confirmations of student appointments will be sent to parents/carers who have elected for their child/ren to access this community health service.

Bauple State School – P & C Association

The next Bauple State School P & C Association Meeting will be held on **Tuesday 15 November, 2016**. The P & C Association is an integral part of our school community and we encourage all community members to attend the meetings to contribute their ideas and thoughts.

**Retirement Afternoon Tea Party - Laureen Dempster**

All past and present students, parents and carers are invited to help celebrate Mrs. Dempster’s retirement at an afternoon party on 19th November. An invitation is included in this newsletter.

_Will Snedden,  Principal_

**In The Classroom**

**P/1/2/3 NEWS**

We enjoyed having our Pre-preps joining us again yesterday. We are already seeing their confidence growing and an awareness of school routines beginning. We look forward to our other Pre-prep sessions this term.

Students have written a little message for grandparents for the upcoming Grandparent’s Day on Sunday, 30th October. Thank you to parents who have assisted with names and details. These messages will be sent home with students to pass onto grandparents, unless other arrangements have been made. They will be sent home today - keep an eye out for them in home learning folders. Please not that absence has made it difficult for all students to complete this task. We have blank templates if you wish to catch up at home.

Classroom learning has been full steam ahead as the term quickly progresses. Students have completed an informative piece about bees and they life cycle of a butterfly. We are now beginning to learn about procedural texts and focus on verbs. During Geography time the P/1 students have been looking at natural, managed and constructed features around the school. They will be considering ways of conserving and looking after these. The 2/3 students have been looking at connections to places near and far. They will also be exploring issues of conservation.

Enjoy the remainder of the week.

Jess Chin

**3/4/5/6 NEWS**

Year 3/4/5/6 students continue to work on their reading and writing tasks in classroom lessons. Students are working on recounts from the perspective of a fictitious character in a historical setting or from the perspective of a character in a book story. Reading comprehension strategies are the main focus in the Rapid Reading and general classroom reading lessons.

Students have been working on chance, probability, data collection and graphing (data presentation) options in mathematics lessons. It is pleasing to see the level of knowledge retention from our students as some of these learning concepts are consolidation of learning activities completed in 2016 and in previous year levels. Parents/carers are reminded to ask students of their achievements as assessment tasks are currently being undertaken and will be completed during the next fortnight.

Students have been creating clay decorations in recent art lessons. The creative ideas displayed by our students are very impressive. Today’s lesson is focusing on the creation of 3-D art and perception of art pieces from an audience. Pictures of created pieces will be published in a future edition of the school newsletter.

We would like to remind families that Sunday 30 October is being recognised nationally as ‘Grandparent’s Day’. Students have created cards and acrostic poems to send/present to their grandparent/s on or before the day as an appreciation for their contributions to our community.

William Snedden
