Jake

**From the Principal**

Slip Slop Slap Seek Slide

Slip on protective clothing  Slop on SPF50 or higher sunscreen  Slap on a hat  Seek shade  Slide on some sunglasses

Slip! Slop! Slap! Seek! Slide!

As we approach the warmer summer months, Bauple State School remains committed to promoting the key message of ‘Slip, Slop, Slap, Seek and Slide’ for our students, staff members and school community members.

Parents/carers of all students at Bauple State School are encouraged to follow this key message of sun safety awareness to ensure students are adequately prepared for each school day with personal sun protection items.

Day for Daniel Morcombe – Friday 28 October, 2016

The Bauple State School Student Council organised commemoration activities as a part of the annual ‘Day for Daniel Morcombe’ that was held nationally on Friday 28 October, 2016. Students wore ‘red’ clothing items and were offered the opportunity to purchase flavoured ‘Icy Cup’ ice based drinks during the second lunch break.

The Bauple State School Student Council raised a total amount of $88.00. These funds will be donated to the Daniel Morcombe Foundation which actively promotes the message of child safety and protective awareness strategies of residents in our communities.

‘Principal’s Award’ and ‘Student of the Week Award’ recipients

The Principal’s Award has been awarded this week to Hamish in Year 6. Hamish is an academically high performing student who takes great pride in his achievements.
Hamish displays a keen interest in developing his academic knowledge in all subject areas. He completes his set tasks promptly and enjoys expressing his knowledge of topics in classroom discussions with his peers and teachers. Hamish has demonstrated a keen interest in mathematics activities and he consistently achieves outstanding results in his completed assessment tasks. ‘Only Our Best’

I would like to congratulate all of the ‘Student of the week’ award recipients for the effort they have put into their school based activities.

**School Bus Transportation**

Students travelling to and from Bauple State School on bus transportation in the morning and afternoon are reminded of the behavioural expectations they must meet while travelling on public transportation. It is expected that all students will exhibit appropriate social behaviours and abide by the ‘Code of Student Behaviour for School Bus Travel’ established by the Queensland Government.

I am requesting that any parents/guardians who wish for their child to travel home from school on selected days or on specific occasions through private transportation to kindly inform the school administration office of these arrangements. If school staff aren’t informed of these individual arrangements this may lead to unnecessary confusion regarding student collection at the conclusion of the school day.

**Key Dates for Term Four**

Term Four is a very busy time of the year in schools. Teachers and students are always busy engaging in many social, cultural and academic learning opportunities. This is traditionally a time of the year where we socially celebrate our many achievements and host members of the Bauple and wider community to showcase the fantastic work completed by our students.

Please mark these dates in your calendar as we communally celebrate these important occasions.

**Bauple State School – P & C Association**

The next Bauple State School P & C Association Meeting will be held on Tuesday 15 November, 2016. The P & C Association is an integral part of our school community and we encourage all community members to attend the meetings to contribute their ideas and thoughts.

**YEAR 6 GRADUATION PHOTOS**

Thanks for sending in photographs for this year’s graduation slideshow. Your photos and USBs will be returned to you over the next few weeks. If you have not yet sent or emailed photographs, please do so at your earliest convenience. We are requesting a few baby, toddler and child photographs of your child. These can be hard copy, digital form (USB or CD) or emailed to jchin7@eq.edu.au

Will Snedden,
Principal
**In The Classroom**

**P/1/2/3 NEWS**

Things have been heating up. Please ensure students are bringing hats and water bottles to school. Students are able to have their bottles in the classroom. This is an easy and convenient way for them to remain hydrated and comfortable during the day.

We have been learning about procedural texts during English time. Students have been creating recipes for Wombat Stew and their own Bush Stew this week. We have been delighted to see them using appropriate verbs when giving instructions. Students have enjoyed working on Mathletics online activities each week. Please remember these activities can be accessed at home. Ask your child or me for their password. All activities are linked to national curriculum and assist students practise core mathematical content. During Art we have continued learning about colour. We are now looking at complimentary colours. These are the colours on the opposite sides of the colour wheel. We made snowflake creations last week and look forward to having these displayed in the room really soon.

Next week is Pre-prep day on Wednesday. We look forward to our new students joining us again. We have already seen Pre-preps become familiar with school routines and congratulate existing students for helping make our new students feel welcome.

Jess Chin

**3/4/5/6 NEWS**

It was great to see the students wearing red clothing items in their support of the Daniel Morcombe foundation on ‘Day for Daniel’ that was held on Friday 28 October. Students in the Year 3/4/5/6 classroom have demonstrated a good understanding of the significance of the event and the importance of the promotion of key student safety messages that are so important in our communities.

Students have been working on developing their complex sentence writing skills in English lessons. The importance of clear and concise written and verbal communication skills has been and will continue to be a focus in our classroom for the remainder of the school term.

Students have been enthusiastically working with collecting data and selecting a suitable table or graph to present their information in during Mathematics lessons. As these concepts are consolidation of activities completed at the beginning of the school year and in previous years of schooling, it is pleasing to see the high levels of knowledge retention when the students are completing their set tasks and showcasing their academic achievements.

Students in year levels 3 and 4 are learning about the differences of rules and laws in our society. Students will be presenting interview questions to their peers this week to determine individual and group contributions to organisations in our local community and surrounding regions. Students will be exploring the role of local council representatives and the services/facilities they provide to local community residents.

Year 5 and 6 students will begin working on their Microsoft Powerpoint presentations to demonstrate their knowledge of natural disasters and the impact of natural disasters in communities on a local, state wide, national and global scale.

William Snedden

**TUCKSHOP NEWS**

Just a reminder that there will be NO TUCKSHOP in week 10.

Regards,

Shonna,
## Bauple Pre-Prep Sessions
### Term 4 – 2016

Pre-Preps are invited to join us in the Bauple State School P/1/2/3 Classroom on the dates below. Parents do not need to supervise their children at these sessions and are welcome to have a coffee/tea and a chat in the upstairs staffroom while your child participates in our Pre-Prep Transition Program.

Please contact Mr Snedden or Mrs Chin for further information.
