P-2 NEWS

The P-2s have been enjoying Science experiments as we further investigate weather. We have also enjoyed a song about the water cycle and have been learning science words like evaporation, condensation and precipitation. Ask your child if they can tell you about the water cycle. Students have continued presenting their weather items during sharing time. Next week we commence a new topic about sport. Children may like to share something they know or have seen about the Olympics. We have been keeping a watch on the Olympic medal tally in class. We have been talking about some of the Olympic symbols such as the Olympic rings, torch and medals.

Our class has been practising songs to perform at the Fraser Coast Regional Council Senior’s Mayoral Morning Tea. Some students have a great attitude when it comes to rehearsing and present themselves well when singing and dancing. There has been an overall improvement with group work. We continue to remind and support students participate to their highest standard. This creates a ‘territory of learning’, something a visiting teacher has noticed and complimented us on. Well done to the students who create and contribute to this ‘territory of learning’. Parents are always welcome to contact me on the phone, via email (jchin7@eq.edu.au) or organise a face to face meeting if you would like to know how your child is performing and participating at school.

Enjoy the rest of your week!

3 – 7 NEWS

This week sees a number of our units of work drawing to a close. Students in the 5-7 class have been learning about personal recounts and will complete the QCAT assessment item to demonstrate their learning in this area. Students in the 3-4 class have been learning about traditional stories in their English lessons. Mathematics is all about Geometry at the moment with symmetry, tessellations and Cartesian coordinates being examined this week. We are busily finishing art works to display at the Tiaro Art Show this weekend. It will be a great display.

2012 Senior Weeks Fri 10 – Sun 26 August
Year of the Farmer

Seniors Week is an opportunity for Queenslanders of all ages and backgrounds to join together and celebrate the valuable contributions of seniors.

‘Hats off’ to Fraser Coast Seniors

Seniors across the Fraser Coast are encouraged to ‘flip their lids’ and use their imagination to decorate hats to enter this year’s Bank Overdraft Hat Competition.

The competition is open to all people 50 years young and over and will be judged by Bernard Clarry from the Department of Communities, Child Safety and Disability Services at the Maryborough Mayoral Morning Tea on Tuesday 14 August

Theme: ‘Bank Overdraft Hat’ Competition.
Rules: To be worn while Judging
Date: Tue 14 August (Maryborough Mayoral Morning Tea)
Venue: Maryborough City Hall

Entrants can paint on hats, stick things on hats or combine both to make their hats stand out. Organisers are expecting our ‘crafty’ and artistic seniors to come up with some interesting creations.
