Number 1 10th October 2012 Term 4

**Principal’s Patch**

**WELCOME BACK TO TERM 4 2012**

This term is going to go very quickly. Events are filling up the calendar with speed.

Our very first event is P & C’s Trivia Night Saturday night 20th October.

Last year, 30+ community members attended and participated in the fun & laughter. $10 per head, organise a team!

COME JOIN IN THE FUN.

Trivia Night is open to 16 years old and over. Lots of extra games and prizes.

**THE PRIZE MONEY IS $250 FOR THE WINNING TEAM.**

**IT IS A LICENSED EVENT.**

We didn’t win but we achieved ‘Judges’ Choice’ and the students won a $50 voucher from Bunning’s (Maryborough). I am so proud of our students and a special mention to Isabella, Jade & Sharni. These girls redeveloped the vegetable garden and now their vision has become a reality.

**OCTOBERFEST EXCURSION – Thursday 18th October**

Our Year 5-7 will be travelling to Brisbane to the RNA Showgrounds. They will be exposed to a variety of activities. All students are required to be at the Bus Stop opposite the Bauple Lighthouse Church at 6:15 am. The bus will be leaving at 6:30 sharp. All students will be returned to the same bus stop in the afternoon.

**Uniforms**

Our school is a ‘Uniform School’ that means we have adopted a uniform and insist it be worn; that includes the blue wide brim hat. Our school does give a timeline for parents to purchase our uniform. Students who are not in uniform will miss out on playtime and excursions. This term we have a number of excursions, students not in full uniform will not be allowed to leave school grounds. **BEST AND LESS, BIG W at Station Square have Royal Blue short, skorts and skirts at a reasonable price.**

**Enrolments 2013**

We are taking all enrolments for 2013 during this term. It is advised all new enrolments present themselves with a birth certificate (pre-prep), and a recent sight and hearing test. Custodial documents are also required for perusal at these interviews. For further information on these reports please contact our office.

**Year 7 Graduation**

Tuesday 11th December; book this date into your calendar. Our Graduation Dinner will take place in the Q150 Recreation Centre with our P&C catering for the event. Thanks to Sabrina Spice who has been decorating the Graduation Bears. If any family has a dietary requirement contact us ASAP so we can cater for this meal.

**NO SIBLINGS ARE ALLOWED.** Baby photos and early schooling photos are required; please send these in via email, memory stick or CD.

In The Classroom

P-2 NEWS
Welcome to Term 4. We have lots of smiley faces return, ready for the final 10 week journey as we end 2012. Individual goal pages will be sent home in homework folders next week. These will be based on discussions from last term’s interviews. Some students may have additional homework tasks to work towards their goals. This is voluntary but highly recommended. Please see me if you have questions, concerns or would like to speak about your child’s goals and how you can support them reach their goals.

This term we begin our English learning with a unit about poetry and rhymes. We will be exploring various poems and their features, learning to recite and interpret poems, respond to poems and try some of our own poems. In Science we will be looking at how things move by exploring toys. Key concepts will include push and pull, and light and sound. Some of our tasks will involve exploring real toys. We would appreciate your help with collecting toys to explore. We are after toys we can borrow over the next few weeks that light up, make sound or move in some way. Later in the term we will design and construct our own toys. Details will be sent out in the next few weeks. Donations of bottle lids, decorations and other construction materials would also be appreciated. Keep watching this space for more information. Our Math focus has been on number skills. Some students have found it difficult to get back into the ‘swing’ of things so regular practise with counting, numbers and number words, number patterns and number facts is vital to your child’s progress.

Parent helpers will officially recommence next week. A roster has been drawn up based on the previous rosters this term. Please see me if your availability has changed or if you would like to be added/changed/taken off the list. The roster is flexible and your time and support is always valued! A Sharing Time roster will also be sent home this week. Most students enjoy this fortnightly opportunity to present to their peers.

Enjoy the rest of your week!

3 – 7 NEWS
Welcome back to all students in the 3-7 classes. This term sees some big changes in the student grouping between the two classes. As many of you are aware, five students from year Four are joining the 5-7 (now 4-7) class. These students will be extended through being exposed to many more challenging concepts and content, while completing the requirements of the year Four curriculum.

The hard work students put in to the vegetable garden has payed-off, with Bauple receiving a Judges Choice prize including a $50 voucher from Bunnings. Thank you to those of you who supported our efforts in the garden. The vegetable garden will continue to be a resource for students to learn about a wide variety of topics.

BAUPLE MUSIC CLUB

Saturday 3rd November will be the next Bauple Music Club at the Bauple Recreation Ground. This is a chalkboard event with regular artists, plus visitors performing from 6pm to 11:30pm. The event is licenced and there will be plenty of good food and drinks available. Admission is FREE and you can camp on the grounds if you wish.
We welcome new artists from the area to get up and perform.
Pre-Preps are invited to join us in the Bauple P-2 Classroom on the dates below. Parents do not need to supervise their children at these sessions but are welcome to have a coffee/tea and a chat in the upstairs staffroom while your child participates in our Pre-Prep Transition Program.
Please contact Mrs Chin or Mrs Booth for further information.
