Welcome Back to Term 3. This is an 11 week term.

We welcome AJ (Year 7), Georgie (Year 5), Jayden (Year 5), Blake (Year 4), Brianna (Year 4), Zack (Year 1) and Dominic (Prep)

Our enrolments stand at 70 students.

Theebine District Sports Day
Friday 20th July at Bauple Rec Grounds. The day will begin with a March Past which Bauple will be doing ‘Only Our Best’ to retain the March Past Trophy which we won last year. Come spend the day to cheer on your children in their events. Our wonderful tuckshop convenor (Sherry) and her troupe of helpers will be feeding the crowd. Students may wear their school uniform or yellow or blue T-shirt (representing Rossendale or Kanighan)

This year 9 year olds (children born 2003) will be competing in the field events as well as the 800m. They will NOT be part of the Theebine team for zone sports.

All students that have qualified to compete in the field events on the day and 800m on Wednesday 18th July are listed below. ALL students from Prep to Year 7 will run in the races as well as be part of the Ball game teams and relays.

**Report Cards**
At the end of last term report cards were sent home. It has come to our attention that the reports were sent home unsigned; please return the report cards to the classroom teacher so they can be signed. Thank you in advance for your support in this matter.

**Woolworths ‘Earn & Learn’**
Just a reminder to get your stickers to school as soon as possible. The promotion will finish on 12th August 2012. Our school will be eligible to receive some great classroom resources.

**Coles ‘Sports for Schools’**
This promotion runs until 14th August. So please continue to send in your vouchers so hopefully we can receive some great sports gear.

"Forgiveness does not change the past, but it does enlarge the future." -- Paul Boese

**In The Classroom**

**P-2 NEWS**

Thanks to all for a warm welcome back. We had an amazing European adventure. I've enjoyed returning to happy faces and lots of stories about the past few weeks. This week we have welcomed two new students to our class – Zack in Year 1 and Dominic in Prep. We hope you enjoy joining us at Bauple.

Our first English Unit this term will involve exploring various Australian books. It will involve further exploration of characters and the writing of a biography. This will be a very new and interesting task for us. Our Science unit is about weather and will involve observations and experiments to better understand the events around us. We begin our Maths Unit with revision on Number and partitioning numbers. Partitioning involves breaking numbers into parts. For example, the number 37 can be partitioned as 30+7, 20+17, 10+27. It could also be presented as 32+5, 13+24, etc. Manipulating numbers and materials is a vital skill to develop competent and confident mathematicians. Our Preps have focused on partitioning and representing numbers up to 10 (and extending to 20). For example, 5 is 0+5, 1+4, 2+3 or 2+2+1, etc. You will find questions like this on future homework tasks to provide additional practice.

I have not yet had a chance to send home details about Parent Helpers for Term 3. I will tentatively create a roster based on previous terms. Please see me if you would like to join our room or if your availability has changed. Thanks in advance for your support. Information about Sharing Time will also be sent home later this week.

Students have been preparing for the Theebine Sports Day. Thanks to Mrs Bottcher for helping us learn the march past. Your enthusiasm has made learning the war cry and marching routine lots of fun.

Enjoy the rest of your week.
Jess Chin

**3 – 7 NEWS**
Welcome back students from the 3-7 class and also to our new students. We have five new students in the 3-7 classroom, two in the 3-4 class and three in the 5-6-7 class. Teacher shave already observed students extending their helpfulness and friendship to the new students, well done! Term three will see a different focus for both Science and English, with many exciting learning activities being planned.
Susan Booth & Phil Syme

**HPE NEWS**
We have successfully completed our athletics units and I am happy to say that most of our athletics carnivals are either finished or soon to be undertaken. I am impressed by the buzz that sports days generate. It is great to see the way students compete and the sense of healthy competition generated. Good luck to all students who will go on to represent their districts, zones, regions and even state in athletics.

I have begun this term with Alex Toohey from Riverside helping me while on work experience. Alex has been very keen and is still interested in a career in PE even after a week of following me around. I wish him well in his studies.
This term will see the upper school students learning some golf, AFL and touch skills, theory and rules. Lower school students will learn tennis and soccer skills, theory and rules.

I hope that students can continue to apply themselves to all lessons this semester and enjoy the experiences on offer while learning some new information and skills. Involve yourselves in the progress of your child and help develop these new skills with your children. I am constantly being reminded of how good mum or dad is at activities by students. The impact of your time with your children is huge and will help them develop physical prowess. It is also time they will always remember.

Dale Dakin
HPE Teacher

**P&C Assoc. NEWS**

Welcome back to term 3, hope everyone enjoyed their time off. I would like to welcome all our new students and their families to our little school we hope you enjoy your time with us.

Theebine district sports day next Friday 20th July, we will be catering for this occasion; and it is huge, so if I could have all helpers on deck to help out in tuckshop it would be great. The morning will start at 7:30am. So if anyone can come up that early it would be much appreciated.

Community News

Single & Teenage Parents Program

UnitingCare Community’s Single & Teenage Parents (STP) Program operating in Maryborough and Hervey Bay is individualized to provide assistance to people who face skill shortage barriers to workforce participation.

The STP Program will work with a range of existing services and programs to address skill shortage barriers to employment in a targeted and coordinated manner. It will link individuals with accredited training pathways and further support the participant in ongoing participation in the workforce.

Participants must be within the following target groups:

- Single Parents; and/or
- Teenage Parents.

This program is for you if you need assistance to improve your personal and social skills, and want to gain a formal qualification with the aim of being work ready.

The STP Program is for you if you are not working because you need help with:

- Career planning;
- Life skills;
- Personal and social skills;
- Health and wellness; and/or
- Entrance into accredited training courses.

The STP Program staff will work with you to create a flexible, individual case management plan to achieve your goals and overcome your skill shortage barriers to employment.

Contact Details:
Mobile: 0437 720 351 or
Cnr Alice & Bazaar Streets, Maryborough
Call 4122 9000 and ask for the STP program

“Yoorana”
Vacancy

Women’s Domestic Violence & Resource Service Inc.

Relief Support Worker

Casual Position

An opportunity exists in Maryborough for a support worker to provide relief during the absence of staff at the Women’s Refuge from Monday to Friday. This position does not provide a regular income and would be suitable for a worker with flexibility and a keen interest in womens issues.

“Yoorana” provides a 24 hour, 7 day a week service to women and their children escaping domestic and family violence. Applicants would require the following:

- Diploma in Community Welfare or equivalent and/or experience working with women and accompanying children escaping domestic/family violence
- Current valid blue card from Queensland Commission for Children and Young People or ability to acquire one.
- A current criminal history check or ability to acquire one
- Current valid Queensland drivers licence
- Computer literacy

The suitable applicant would be required to work at short notice for short and block relief.
Further information can be obtained by phoning Ms. Janice Steele, Coordinator on 41 222218.
