Principal’s Patch

Last Friday, the Student Council organised a fund raiser!
It was awesome, so many students came dressed in a fantasy costume.
Thank you to the parents for supporting the student council.
A Big Thank You to the parents who helped with cooking and serving the sausages.
Well Done Student Council!!!!!!!

As a Principal of the local school, a parent and a community member I was never more proud as I was to live in Bauple on Monday. I witnessed firsthand how two community committees combined and catered for 120+ visitors to our little town.
The food was to die for, so to speak. It was home baking at the highest standard. The accolades that came from the visitors were numerous – lost count.
WELL DONE to the Bauple State School P&C and the Bauple Recreation Club.

Bauple Sports Day is this Friday. All Parents and caregivers are welcome to come along and cheer the students along

PRINCIPAL AWARD – Tiani Vaine
Over the last 3 years Tiani has developed a love of learning. Her improvement in her classroom tasks has improved to a high standard. Tiani’s positive attitude towards her school work is to be congratulated.

UNIFORMS
It is lovely to see our students in uniform and warm this winter. Our uniform is commented on whenever or where ever we go. We thank all parents for supporting us in supplying your child/ren with the correct colours.
It is expected that students dress accordingly to the weather (cold/warm) from their homes. We accept students coming to school in beanies/gloves etc. Once at school, this clothing will be removed as students will be allowed in classrooms with a heater.

REPORT CARDS
Report Cards will be handed out on Thursday 21st June. If your child’s teacher has indicated that an interview is recommended please contact the teacher ASAP to ensure a time for this meeting earlier next term. As, Mrs Chin is on leave, her reports have not been signed by her. Any parents wishing a signature please return the report to school and Mrs Chin will complete this task by the end of week 1 term 3.

On a personal note

3 - 7 NEWS
Well done to all the students who put a great effort into Friday’s fantasy themed free-dress day, you looked great! This week has students in both the 3-4 and 5-7 classes beginning their assessment tasks for this term. Students in the 5-7 class are working on creating a narrative that they will record as a short animated film next week. Lots of effort has been seen from students preparing for sports day on Friday, as well as plenty of excitement.
