It’s amazing how things can change in a week. 
Due to a small number of tables being booked for Trivia Night this fundraiser has been cancelled.

Staffing
Mr Syme will be leaving our school. His last day will be 26th Oct.
Mrs Curry will replace Mr Syme for the last 7 weeks of this term.
I would like to Thank Mr Syme for all he has contributed to our school.
He has been teaching the 5/6/7 for over a year. Boy time flies.

2013 Staffing
Mr John Hamilton will join our staff next year.
At this stage, it is unknown which teachers will be teaching which year level. Our predicted enrolment number is around 71-74 and 78 would give us a fourth teacher. With positive newspaper article like the one in Monday’s Chronicle, this may prompt local families who travel passed our gates, stop and enrol at our school.
Please refer to the article attached and the Fraser Coast School Guide.

OCTOBERFEST EXCURSION – Thursday 18th October
Some of our Year 5-7’s will be travelling to Brisbane to the RNA Shougounds. They will be exposed to a variety of activities. All students are required to be at the Bus Stop opposite to the Bauple Lighthouse Church at 6:15am. The bus will be leaving at 6:30 sharp. All students will be returned to the same bus stop around 5:30/6:00pm
ANY STUDENT NOT IN UNIFORM WILL NOT BE ALLOWED ON THE BUS AND WILL BE REQUIRED TO ATTEND SCHOOL. Full uniform is to be worn. NO LEGGINGS UNDER SHORTS, NO COLOURED SHORTS ARE ALLOWED.

PRINCIPAL’S AWARD
This week the award was presented to Rayne for her high standard in book work in class. Well done Rayne.

Sun safety in our school
Sun safety is important for our school because our students are here during peak times for ultraviolet radiation (UVR), which is 10 am to 3 pm.
Cancer Council Queensland says childhood sun exposure contributes significantly to a person’s risk of developing skin cancer in their lifetime, so our school encourages sun safe behaviours.
Wearing wide brim hats, sun protective clothing, sunscreen and keeping in the shade as much as possible are good habits to get into and we encourage parents and staff to set a good example for our students.
Parents and guardians can check out Cancer Council Queensland’s website [http://www.cancerqld.org.au/page/prevention/skin_cancer/] for more information on being SunSmart.
APOLOGISES - Wide Bay Water – ‘2012 School Spring Garden Competition’ Well Done Bauple State School. I send my apologies to Melissa Vaine who was one of the four girls who started the garden. Mel, you were left off the list and we apologise and would like to acknowledge your efforts in the garden.

Thanks to the tuckshop team!
Tuckshop Day is on Friday 2 November and our school will give a big thank you to all of our tuckshop helpers and volunteers who have put in a great effort this year. Bauple School will celebrate this day on Wednesday 31st October with a presentation on parade. The role of our tuckshop and the people who provide nutritious food and drinks for students and staff is very important to our school community. The many volunteers who put their hands up to help out have been wonderful and it is great to have them involved in the school’s daily operations. Also, a big thank you to the mums and dads who send in ‘home cooking’. Your kind donation supports our Tuckshop and the students.

Thank you all and we hope to see as many of our helpers who can make it on Tuckshop Day, Wednesday 31st October.

Stationary Scheme
As school year is coming to a close, we have a number of outstanding payments for Stationary. At present we are owed $1600. This is a lot of money to lose. This Stationary Scheme is voluntary that means you can purchase your child/ren’s stationary elsewhere instead of from us. NO school provides ‘FREE” books, pencils, etc. Parents who have not paid will receive an invoice & letter in the coming weeks.

If the outstanding fees are not paid by 12th Dec, you will be given a booklist and it will be up to you to organise your child/ren’s stationary for 2013.

Stationary Fees for 2013 will be $75 per child.

Uniforms
It’s great to see our uniform being worn. It is a great uniform.

Enrolments 2013
We are taking enrolments for 2013 during this term. It is advised all new enrolments to present themselves with a birth certificate (pre-prep). We ask that all new students have their sight and hearing tested before enrolling. These are free tests. Hearing tests can be done through Community Health in Maryborough and sight tests through an optometrist in Maryborough. These results can be handed in at the beginning of 2013.

Please contact the office for phone numbers etc. to organise these tests. Custodial documents are also required for perusal at these interviews. For further information on these reports please contact our office.

Year 7 Graduation
Tuesday 11th December; book this date into your calendar. Our Graduation Dinner will take place in the Q150 Shed with our P&C catering for the event. Thanks to Sabrina Spice who has been decorating the Graduation Bears. If any family has a dietary requirement contact us ASAP so we can cater for this meal.

NO SIBLINGS ARE ALLOWED. Baby photos and early schooling photos are required; please send these in via email, memory stick or CD.

Parents of Children & Young People with a Disability
Queensland parents of children with a disability can now access a wealth of information on education services available to their child via an online handbook. It will provide parents with an overview of:
  • Schooling for students with a disability in Queensland
  • The specialised programs, services and support available
  • What they can do to help get the best outcomes for their child.

"Losing is a learning experience. It teaches you humility. It teaches you to work harder. It’s also a powerful motivator." -- Yogi Berra

Be Safe, Be Happy,
Susan Booth, Principal
In The Classroom

P-2 NEWS
The P-2s commenced our English unit by exploring some well-known nursery rhymes. We have been identifying rhyming words and have had great fun reading alternate/fractured nursery rhymes. One of our favourites is a version of Twinkle, twinkle. It goes - "Twinkle, twinkle, little star; My dad has an electric guitar; You might think he's getting old; but he loves to rock and roll! Nair-nair, nair-nair, nair-nair, nair; nair-nair, nair-nair, nair-nair, nair". Our Art has been inspired by some of the nursery rhymes we have been reciting. In Math some of the Year 1s and 2s have been learning to do addition with regrouping. This has been a challenge but the students have enjoyed learning this new task by role playing with bundle sticks. "When Mummy and Daddy One has too many children in their house, they bundle ten up and they go and live in the attic of Mummy and Daddy Ten". Other Year 1 students have continued working on 2 digit addition without regrouping and our preps have been using number lines to complete number facts. In Science we have begun our unit by observing movement. We are still seeking your help with collecting some toys to observe how they move, light up or make sound. Please send any toys in that we could borrow for our studies (they will be kept safe inside the classroom).

This week we sent home individual student goal pages. Challenge pages for students to work on over the next few weeks were also sent home. I look forward to seeing students successfully complete many of these challenges! Sharing Time has also begun and most students have been prepared to recite poems and rhymes to the class.

On Friday we are looking forward to our PRE-PREPS joining us 8.40 to 11 am. They will be working and participating in activities with the P-2 class. Please remember your hat and a snack for fruit break time.

Enjoy the remainder of the week!

Mrs Chin

3–7 NEWS
Students in all classes from three to seven have been learning about poetry in English. Pupils in the 3-4 class will be writing a poem as their current English unit, while 4-7 students are learning to analyse a poem. Mathematics is focused on measurement this week, particularly volume and displacement for the older students. Students have been very engaged in the Science experiments exploring different forces (energy). Some very interesting questions have been raised by students.

P&C Assoc. NEWS
THE TRIVIA NIGHT HAS BEEN CANCELLED
We had our P&C meeting yesterday and only just made a quorum (which is 5 members). This is a bit disappointing considering how many members we have. I understand that people work and get unwell but there are still heaps out there who could have made it.

It is difficult to make decisions that suit the whole school community with such a small number of families represented, and we do not take the responsibility lightly. Please keep this in mind the next time decisions are made that you are not happy with.

The kids are lucky enough to be going to Glenwood State School for a BMX riding display on the 5th Nov. The P&C will be paying for the buses for this trip. We hope they have a great day.

Our next big event is EXPO/Christmas night on the 30Nov P&C will be doing there famous gourmet sausage sizzle again and would like each family to bring a desert to share after dinner, I will give you prices for these later in the month.

We have our big trip for the kids on the 7th DEC will let you know where we are going after we get feedback from our survey which is attached to the newsletter.

The P&C award a book to each student of Bauple school that will be presented on Awards Day/Break-Up Day on Thursday 13th December. We ask that parents please choose the book for their child/ren. This can be done at either Book City in Station Square in Maryborough or at the Book Fair that will be held at school the week of 26th – 30th November.

Sunbury State School Trivia Night

Please send in team nominations now for the Trivia Night which the P&C is holding to raise funds for the school.

When: Friday 26th October starting at 7.00pm
For whom: Only for adults, however, Sunbury students will be welcome to attend a pizza and movie night supervised by teachers, if their parents are participating in a Trivia team.
Where: Sunbury State School Hall.
Cost: $15 per person includes entry, hot nibbles and a sweets platter, lucky door prize ticket. Teams of 6 to 8 people.

Bookings: No later than 3.00pm Tuesday 23rd October 2012.
Contact P&C President Tracey on mobile 0407 635 205
Or email: traceyj.smith@bigpond.com

BAUPLE MUSIC CLUB

Saturday 3rd November will be the next Bauple Music Club at the Bauple Recreation Ground. This is a chalkboard event with regular artists, plus visitors performing from 6pm to 11:30pm. The event is licenced and there will be plenty of good food and drinks available. Admission is FREE and you can camp on the grounds if you wish. We welcome new artists from the area to get up and perform.

- **Refreshments on sale. Join in the Fun!**
Kids should be proud

NAPLAN shows our teachers are doing the work

By MEGAN PEPE

SMALLER schools have fared well in this year's NAPLAN test, with several small schools in the Fraser Coast region scoring well above the national minimum standard. Bauple and Parke State School received high results back from the national assessment program — literacy and numeracy test, receiving scores above 80% in all categories for year levels three, five, seven.

Students across the country were tested in five categories including reading, writing, spelling, grammar and punctuation and numeracy, as part of the annual test, which determines school ranking in each category.

Parke State School principal Len Peihuber said the school was very proud of its scores, though he put a lot of their results down to being a smaller school.

"We sit very well when compared to the national average, and we are above average in terms of grammar and punctuation," Mr Peihuber said.

"I think being a smaller school gives our staff the ability to really get to know all of the students and help them individually.

"We have some great processes in place, and great teachers who focus on keeping our students on track."

"Larger schools have a lot more challenges when it comes to testing as they might have 100 students in a year level where as we have 13."

Mr Peihuber said the student's test results this year were similar to last year's results, and reflected the student's attitude towards learning.

"This year we didn't put a lot of focus on the students in the lead up to the test," he said.

"We find that it's not just a test for students, it's a test for myself and the teachers."

"The next step for all teachers and principals will be to individually go through each student's results to help determine where changes need to be made, Mr Peihuber said.

"We have already begun looking through our scores and working with our students," he said.

"It's these results that made the NAPLAN tests so important."

GREAT RESULTS: Students from Parke State School including Jade Elle Brown, right, are celebrating their NAPLAN test results.

PHOTO: ROBYNE CERRIEL

HOW DID THEY SCORE?

Some of the top achievers in the region were:

Year 3:
- Agnew School
- Biggenden State School
- Tinana State School
- Kawungan State School
- Hervey Bay Christian Academy

Year 5:
- Kawungan State School
- Star of the Sea
- Fraser Coast Anglican College
- St Mary's Primary School
- Xavier Catholic College

Year 7:
- St Helens State School
- St James Lutheran College
- Bauple State School
- Parke State School
- Urangan Point State School

Regional results

As a region the Fraser Coast returned scores more than 60% about the National Minimum Standard, with several schools returning results of a 100% in several areas of reading, writing, spelling, grammar and punctuation as well as numeracy.

To view your schools individual scores visit qsa.qld.edu.au.
**Bauple Pre-Prep Sessions**

**Term 4 - 2012**

Pre-Preps are invited to join us in the Bauple P-2 Classroom on the dates below. Parents do not need to supervise their children at these sessions but are welcome to have a coffee/tea and a chat in the upstairs staffroom while your child participates in our Pre-Prep Transition Program. Please contact Mrs Chin or Mrs Booth for further information.

NB - Wear closed in shoes/joggers and ensure you have a shirt with sun-smart sleeves. Please check that all items are named so we can return them if they are misplaced during your visit.

*We look forward to you joining us this term!*
Dear Parents
The P&C would like to take the students to ‘Wet ’n’ Wild’ Gold Coast (3-7) and Hervey Bay WaterSide (P-2) on the Friday 7th Dec.

It is possible for a parent to accompany their P-2 student to ‘Wet ’n’ Wild’ if you chose to do so.

Please fill in the tear off slip below and send it back to the office so we can have numbers for the bus and catering purposes.

Thank you in advance

Warm regards

Susan
