Dear Parents/Caregivers

Firstly I would like to acknowledge Brok van Gelder, Reece Horvath and Joshua Horvath for representing Theebine District Team in the Maryborough Zone Sports Day – Go Bauple !!!!!
We wish Brok, Reece and Josh all the best in their events, when they participate at Wide Bay Zone representing Maryborough. What a great sporting achievement!!!!

Interactive devices: Thank You Parents for your support in this matter. The staff and I appreciate it.

Reminder of two fantastic Fundraiser events
A Tombola on 30th August it would be appreciated if parents could donate an item or more for this event. All donations can be handed in at the office.
The Tombola will be held at the Q150 Recreation Shed Bauple.

Federal Election will be held on 7th September in the school ground in C Block (it’s the building with the ramp) and our P&C will be hosting a stall with country cooking, maybe a raffle or a hundreds board. If there is any parent/caregiver/community member that could donate to our stall
We will be holding a sausage sizzle $2/sausage/$2.50/sausage + onion.
Thank you so much for the parents who have nominated their time on this day to help out for an hour or two.

Parent Interviews – a schedule will come out late this week or early next week
During Week 9 you will be invited to participate in a face to face interview with your child/ren’s teacher. During this interview they will discuss the entries in the Data Book, report card, diagnostic test results and generally how your child/ren are going. I urge all parents to take up this opportunity and if you cannot make a face to face there is always a telephone interview at the convenience of both parties.

BOOKCLUB
The next issue of Book club is attached to this newsletter. Please have orders and money back to school by Monday 26th August.

STUDENT COUNCIL
The Student Council will be having 2 stalls at the Bauple Nut Bash on Saturday 7th September. These stalls will be a ‘snow-cone’ stall and a ‘lucky straw’ stall. Donations of cordial and disposable cups would be kindly welcomed.

PY – 2 News
We have commenced our new English unit about narratives. Our focus narrative at the moment is, "Let’s Get a Pup". We have been identifying characters, settings and events from the story. We will be learning how to add a new event to an existing story. In Science we have continued to learn about resources on earth. This week we are focusing on air and looking at the impacts of air pollution. During Math time we have been patterning. Prep students have been learning about repeating patterns and using shapes and objects to continue and create their patterns. Year 1 and 2 students have revised repeating patterns and been learning about number patterns.

Please remember that tomorrow is library day. It is sad to see many of our P-2 students missing out on the opportunity of borrowing books because aren’t prepared for library day. We have a great selection of books in the library and hope to see more students benefiting from library borrowing. We look forward to seeing books and bags returned tomorrow so that all students can borrow.

Enjoy the remainder of the week.
Mrs Chin

2 - 7 News
A big THANK YOU to parents and community members who came to school last Friday to watch our “Fashion Parade.” This support is appreciated by students and staff.
This week Years 4, 5, 6 and 7 have continued studying imaginative stories using letters from long ago. Students from Years 2, 3 and 4 are publishing their assessment task and their written procedure for their Glad Bag costume. To improve writing skills all students will be learning how to write interesting compound and complex sentences.
In Mathematics the upper school are improving their knowledge of common fractions, decimal fractions and percentages. Mrs Booth’s class are practising operations using addition and subtraction using regrouping and trading in the ones column.
In Science the upper school students are learning about cyclones and thermographs over the Pacific Ocean along the Queensland coast. Later in the week students will have the opportunity to construct a papier mache volcano. Years 2, 3 and 4 have identified areas of erosion in the school grounds.
