It’s amazing how things can change in a week.
I said this last week and OH BOY it happened again this week.
Mr Hamilton will not be coming to Bauple in 2013.
Mr Hamilton resigned due to personal reasons.
At present HR are seeking a possible replacement.

This Friday, our school will be hosting a DAY FOR DANIEL – students can wear red, have red hair. A gold coin donation would be appreciated. All money raised will go the Daniel Morcombe Fund.
Students will walk for Daniel around 9 am.

After the walk, we will celebrate World Teachers Day with a parade. We will farewell Mr Syme at this parade.
As this is a special day we have decided to open the tuckshop for this day.
A Large Pie, small snow cone and jelly for $3 will be available.

The Student Council is supporting TEEN CANCER and bandanas ($4), Pens ($3) and badges ($5) can be purchased at the office for the next couple of weeks.
It’s a big day, come along and join in the fun

OCTOBERFEST EXCURSION
Last week, 10 of our senior students represented us at the Oktoberfest. Their behaviour was exemplary. They should be congratulated on a job well done.

PRINCIPAL’S AWARD: Congratulations to Melody – ‘For being Resilient’

‘TUCKSHOP DAY’
‘Tuckshop Day’ is on Friday 2 November and our school will give a big thank you to all of our tuckshop helpers and volunteers who have put in a great effort this year.
The role of our tuckshop and the people who provide nutritious food and drinks for students and staff is very important to our school community.
Thank you all and we hope to see as many of our helpers who can make it on Tuckshop Day, Wednesday 31st October, for a special event

CONGRATULATIONS to Reece who recently competed at the State Primary School Athletic Carnival in Cairns in the 100m sprints, Long jump and Wide Bay Zone relay team. Even though Reece didn’t qualify to continue he did “ONLY HIS BEST”. Well done.
STATIONARY SCHEME
Thank you to those who have paid their stationary fee. If the outstanding fees are not paid by 7th Dec, you will be given a booklist and it will be up to you to organise your child/ren’s stationary for 2013.
Stationary Fees for 2013 will be $75 per child.

FIRST AID REFRESHER COURSE – The school is running a First Aid refresher course on Thursday 6th December, but are in need of more members. If you need to update your First Aid Certificate training and are interested in joining this course, please contact the school for more information.

BMX Bike Show – Monday 5th November
Our school will be travelling to Glenwood to watch a BMX Bike Show. The bikers will share a NO BULLYING Message. The P&C are covering the cost of the bus. Thank You P&C. This will bring the cost down to $2 per student. More information will be sent home early next week. The Show will be 1:30 - 2:30pm – we will leave the school around 12:15 and return home ready to catch the afternoon bus.

Headlice
Over the last of couple of weeks we have had a couple of cases of headlice. It is advised to treat the hair with either a chemical based treatment or conditioner and comb. No student should have a day away due to headlice, treat them and send them.

Enrolments 2013
We are currently taking enrolments for 2013 during this term. It is advised all new enrolments to present themselves with a birth certificate (pre-prep). We ask that all new students have their sight and hearing tested before enrolling. These are free tests. Hearing tests can be done through Community Health in Maryborough and sight tests through an optometrist in Maryborough. These results can be handed in at the beginning of 2013. Please contact the office for phone numbers etc. to organise these tests. Custodial documents are also required for perusal at these interviews. For further information on these reports please contact our office.

Year 7 Graduation - Tuesday 11th December 6:00pm
Baby photos and early schooling photos are required; please send these in via email, memory stick or CD.

“A lot of people are afraid to tell the truth, to say no. That’s where toughness comes into play. Toughness is not being a bully. It’s having backbone.”
-- Robert Kiyosaki, Motivational Speaker

Be Safe, Be Happy,
Susan Booth, Principal

In The Classroom

P-2 NEWS
Last Thursday our class had the opportunity to learn about the new iPads and use some learning apps. This was great fun and provided an opportunity for us to practise our cooperation skills, complete learning activities and learn how to use this new technology. Students took to the new equipment like “ducks to water” and are eager to further explore these devices. On Friday we had six Pre-preps join our class. They enjoyed trying all tasks and learning about class routines. Our Pre-preps are becoming familiar with staff and new friends. This will set them up well for their Prep year in 2013. We look forward to seeing all Pre-preps again in a fortnight.

This week we have been reading a poem called “Jessica Jean”. She stuck a bean up her nose and it grew! Great fun was had making Jessica Jean faces with a bean stalk growing out of her nose. During Math time we have been completing an assessment task. In Science we have been exploring push and pull and movement in objects. Thanks to those who have sent in toys for us to borrow and use for our explorations.

I have had some students eager to show me some of the 21 skills from their challenge page set earlier this term. I am signing and dating individual pages as these challenges are met and we have charts in our room to monitor our progress. It is great to see that many parents have been helping their children work towards achieving these challenges and also working towards personal goals. It was a delight to see a student arrive with a clear reminder on the front of her folder (change my home reader). Students are lucky that their parents are so actively involved in their schooling and that they are supporting them in achieving their individual goals. Many thanks and a reminder to please see me if you have questions or would like ideas for working with your child at home.

Enjoy the remainder of your week!
Mrs Chin
3–7 NEWS
Students in the 4–7 class have been hard at work analysing “Advance Australia Fair”. This has generated a lot of interest amongst students about Australian history and context in which the anthem was written. 3–4 students are learning about poems and working towards writing their own poems later in this unit. Maths sees students using their knowledge to solve real-life problems. Science this week has been investigating electricity and conductivity with the older class, while the younger class is exploring temperature and forces.
Susan Booth & Phil Syme

WEEKLY AWARDS

STUDENTS OF THE WEEK
Back Row: Clayton, Roxie, Jayden, Serena, Kurtis
Front Row: Chantal, Dakotah, Jasmine, D.J.

‘DOING THE RIGHT THING’
Zack & Dakotah

P&C Assoc. NEWS
We have a busy couple of months coming up, first on the list is World Teachers day/Walk for Daniel/Bandana day /send-off for Mr Syme, all this Friday 26th October, so don’t forget to bring you donations in for Daniel and the special lunch which the tuckshop and student council have organized. A flyer will be sent home with prices for this meal which will consist of a meat pie and a SMALL red snow cone.

All tuckshop helpers are invited to be at school on the 31st Oct for tuckshop day presentations, just a little way for the school to say thank you for all the great work that you do.

Don’t forget our big night on the 30th Nov School Expo/Concert night we will be holding our gourmet sausage sizzle again and ask that all parents bring a desert to share. This night is huge so we will need all hands on deck to help feed our hungry hoards. I will send a price list home for this event closer to date.

On roster for tuckshop next week is Hailie and cooking is Jane and Mel Beddows

Please remember to get your child’s end of year book from either Book City in Maryborough or the Book Fair which will be held at school the week of the 26th-30th November. The P&C pay $6 for books for students from Prep to Year 6 and $10 for Year 7s.

Thanks Sherry
Community News

BAUPLE MUSIC CLUB
Saturday 3rd November will be the next Bauple Music Club at the Bauple Recreation Ground. This is a chalkboard event with regular artists, plus visitors performing from 6pm to 11:30pm. The event is licenced and there will be plenty of good food and drinks available. Admission is FREE and you can camp on the grounds if you wish. We welcome new artists from the area to get up and perform.

TINANA FOOTBALL CLUB would like to invite you to a body shop fundraiser party on the 10th November at 2pm at our clubhouse on Gympie Rd, Tinana. It’s a great chance to catch up with friends and order some Christmas gifts. Feel free to bring your friends and family. Everyone is welcome to attend. For enquiries please call Michelle on 0418 150 706.

SOFTBALL: Come and play a great family sport. It is played every Saturday at the Seale street grounds. All clubs are looking for players. Ages start from 3years to senior male & female. If you are interested please contact clubs as follows AZTECS Bev 41221215, INCAS- Wendy 0401 300 376 or SPARX -Sheree 0428183063. Players are urgently needed in all age groups.

Woolooga State School will be celebrating its 100th years of Education at the Woolooga School on the 6th October 2013. The committee is inviting all those past Students and Teachers to attend the School for celebration that day. If you have attended the school in the last twenty five years the committee is asking you if you would be interested in writing an article on your time at the school or have something of interest, could you please be able to have it the hands of the committee before the 1st April 2013 as this information will then be compile into a book to celebrate the occasion. You can email it to wooloogastateschool100@gmail.com or post it to Woolooga State School 100th Committee,33 Edwards Road Woolooga 4570
Tom Jones 100th committee Woolooga State School

23 Nov  Tombola – Bauple Band Hall – 7pm
An awe-inspiring event your family will be enthralled with

But make sure it’s an eye-safe experience!

Early in the morning on Wednesday 14th November, Australia will observe one of the most spectacular solar system events:

**A sunrise total solar eclipse!**

The only Australian cities that will see totality (when the moon completely obscures the Sun) are Cairns and Port Douglas, but every other Australian city and town, at or shortly after sunrise will witness an awe-inspiring partial eclipse - a golden Sun hanging low in the sky, crescent-blackened by an invisible moon.

This table shows details for the eclipse:

<table>
<thead>
<tr>
<th>City</th>
<th>Eclipse begins</th>
<th>Time of maximum eclipse</th>
<th>Sun’s altitude</th>
<th>Maximum coverage of Sun by Moon</th>
<th>Eclipse ends</th>
</tr>
</thead>
<tbody>
<tr>
<td>Adelaide</td>
<td>6:42:54 am</td>
<td>7:30:49 am</td>
<td>16°</td>
<td>52%</td>
<td>8:22:27 am</td>
</tr>
<tr>
<td>Brisbane</td>
<td>5:56:22 am</td>
<td>6:54:24 am</td>
<td>26°</td>
<td>84%</td>
<td>7:58:54 am</td>
</tr>
<tr>
<td>Cairns</td>
<td>5:44:46 am</td>
<td>6:39:35 am</td>
<td>14°</td>
<td>100%</td>
<td>7:40:22 am</td>
</tr>
<tr>
<td>Darwin</td>

<td>67%</td>
<td>9:03:39 am</td>
</tr>
</tbody>
</table>

But it is VITAL for eye-health that children are made aware how to safely view the eclipse:

Millions of Australians will be outside in the early morning experiencing this amazing sight. But looking directly at the Sun when even the smallest part is still visible is very dangerous especially for children and can result in eye damage. **And don’t look at the Sun through film or X-ray negatives or CD’s or sunglasses!**

The danger to eyes from looking at the Sun during an eclipse is from heat radiation, ultraviolet (UV) radiation, and from light from the blue area of the light spectrum. The Sun’s UV rays can cause retinal sunburn, the heat radiation can literally cook the tiny areas of tissue where the light is focused in the eye, and blue light wavelengths can damage the macula (the spot near the centre of the retina used for central, high resolution vision) resulting in later age-related macular degeneration. **Children are especially vulnerable, because the yellow melanin coloration which helps protect the eye takes until adulthood to be fully laid down.**

**And film or X-ray negatives, or CD’s or sunglasses DO NOT PROVIDE PROTECTION!**

How you can safely enjoy the eclipse with your children by making for yourselves fun **indirect-viewing** eclipse-watching tools:

- Make a Pinhole projector...
- ...or a Mirror projector

Or purchase specially manufactured **Australian standards-approved** eclipse filter glasses to view the eclipse directly. These block out ALL of the Sun’s dangerous rays allowing you to view directly the progress of the eclipse.

Information on how to make a Pinhole projector, Mirror projector and an Eclipse viewing box can be found at the web site www.EclipseEyeSafety-Australia.org, along with more information about eclipse filter glasses, the Wednesday November 12th eclipse, plus information about eclipses in general.
