Dear Parents/Caregivers

Today Bauple State School held their annual ANZAC DAY Ceremony.

The ceremony was hosted by our school leaders, Alex Sokol, Isabella Gordon and Storm Howell.

I would like to congratulate our School Leaders on their maturity and leadership and how they conducted themselves before, during and after our ceremony.

A big Thank You, to Mr Graeme Davis (President Tiaro RSL) for sharing his thought provoking memories on our ANZACS and the Spirit of ANZAC.

To all the service men and women who have not returned and for those who have, you truly have our respect and gratitude for ensuring Australia remains a free country.

In The Classroom

P-2 NEWS
The P-2 students have been discussing the significance of ANZAC Day and participated in our ANZAC Day service today. The senior students led a very respectful service and all students are congratulated for their conduct.

This week we commenced our new English Unit. This unit focuses on the qualities and development of characters in a text. The end task will be writing a biography about an animal character from one of the books we explore. During SOSE time we have been learning and talking about ANZAC Day. Our Science unit will be about materials. It will involve us exploring objects to determine what materials they are made from and their characteristics.

Preparations for Under 8’s Day will be commencing. We have scheduled this day for the 23rd of May. Please see Mrs Chin if you are able to help out on the day or during the lead up to the day (eg: cutting, laminating, resource preparation, face painting, etc). This day is always well supported and lots of fun for all involved. We are hoping to have students from our cluster schools join us again to promote inter-school friendships and provide an opportunity for our students to work with others. We are seeking small bits of timber (eg: between 10-30cm in length) for our hammering/construction station. Please see us or drop in donations of timber if you are able to help out. Thanks in advance for your support.

Sharing Time has commenced this week. Apologies for my mistake with dates on the roster. We are currently in Week 2 (Even) roster. Next week will be Week 3 (Odd) roster.

Enjoy the remainder of your week.

2-7 NEWS

It was good to see so many parents at the ANZAC day ceremony. Our students did a fantastic job. Thanks to everyone for their hard work and preparation. This week we have been exploring ANZAC day and what it means to Australia.

In English we are continuing to prepare our persuasive texts. I’m looking forward hearing the 30 second talks on our favourite animal that are being prepared as part of the homework this week. This is to give students an opportunity to practice informally speaking in front of an audience. We will be giving each other feedback. In science we are exploring the characteristics of the various states of matter. In maths we will continue practicing problem solving strategies and will begin to look at shape.

Yesterday we finished the water safety lessons. Thanks very much to Helena Gale for coming in and running that program for us.

Reading the Bauple Way

On Tuesday, the 30th of April, we will be hosting our first Reading Session for staff, parents, grandparents and friends. Afternoon tea will commence from 3.10 pm with the reading session to follow at 3.30 to 5.00 pm. Our topics will include three comprehension strategies – activating prior knowledge, self-monitoring and predicting. We will explore what each strategy is, it’s importance and look at ways to practise and support your child/ren. Please see Mrs Booth or Mrs Chin if you have any questions. We look forward to seeing you in the Resource Room next week!
