This week we welcome Delta (1), Jessie (4) and Storm (6)
Our enrolment number is 72!
Last Thursday we had a visit from QLD Rail. The students were given the message of safety on trains, not playing near train tracks and crossing train tracks.
STOP, LOOK, LISTEN, THINK
Thanks Mr Connor!

On Monday, we travelled to Glenwood State School where we were entertained by J.C. Epidemic BMX Bike Show.
Students from Bauple, Glenwood Gunalda and Gundiah cheered as the boys on their bikes leapt high into the air.
This group of BMX bikers shared the message to
‘SAY NO TO BULLYING’ –
IF YOU ARE BEING BULLYING TELL SOMEONE,
IF YOU ARE A BULLY TELL SOMEONE.

A BIG THANK YOU to Mrs Roberts (Principal) and Glenwood State School for hosting this event.
Well Done!
It is great to see our students mixing together at different events other than SPORTS DAYS.

This Wednesday (14-11-12) we welcome the Pre-preps once again to our school. They will be in the P-2 room from 8:40 - 12:00

Next Monday (12-11-12), the Spinal Unit will be speaking to the students on how to be safe when you could injure your spine. Parents are welcome to attend and listen to some of the strategies that could be enforced at home.

Principals Award this week goes to D.J. for being a responsible student. Well done D.J.

Student Leaders 2013
Students who have nominated themselves for school leader will receive a booklet of tasks that have to be signed off by a teacher or staff (NO RELIEF TEACHERS ARE ALLOWED TO SIGN OFF ON THE BOOKLET). They will wear a candidate badge for the next couple of weeks. Speeches will be Wednesday 21st November around 9:15am voting will take place straight after by all students from Prep to Year 7. School leaders will be announced on Awards Day Thursday 13th December.
**Library requirements**

All students require a library bag to borrow: students who do not have a library bag have been given a plastic shopping bag. It is expected in the Year 3-7 room that all students will have a chapter book/novel to read in the classroom and a second one for home. P-2 students are allowed to borrow 1 book at a time. If your child is reading a chapter book from home or library those readings can be signed off on the reading log for the 3-7 students, parents in the P-2 room continue to use readers that is sent home by Mrs Chin.

**STUDENTS DO NOT HAVE TO WAIT UNTIL THURSDAY TO CHANGE THEIR BOOKS. THE RESOURCE CENTRE/LIBRARY IS OPEN TUESDAYS - FRIDAYS, EVERY WEEK.**

Students are allowed to change/borrow during their lunch hours. All Students need their library bag or a clean, dry plastic shopping bag to borrow. Next year (2013) a new library bag will be included in the voluntary stationary fee and any student who loses or forgets their library bag will be given a ‘LUNCHTIME DETENTION’ for breaking the LEARNING RULE. Students will be given a plastic bag so they can continue to borrow.

**REMEMBER THIS IS THE STUDENT’S RESPONSIBILITY NOT YOURS**

*I will be discussing this at the next P&C Meeting and any parent who wishes to have a private conversation on this matter, please contact the office to make a time.*

**EXPO/CHRISTMAS NIGHT**

Friday 30th November. Students are now rehearsing their items for the concert. The doors open around 5:00pm. Come along and have a look at the school work your children have completed over the year. Dinner will be on sale at 6pm and concert begins at 7pm. See you there.

**Orientation Day-Monday 3rd December**

Our Year 7’s go to their respective High Schools for the day and the Pre-prep come to Bauple State School from 8:40 -1:15. The Year 2 come up to the Year 3-7 class from 8:40-1:15.

**Year 7 Graduation- Tuesday 11th December 6:00pm**

Parents need to be reminded that if students do not behave accordingly they will not be able to attend Graduation this includes attendance and submission of assessment tasks.

Thank you to our parents who are sending in the baby photos and early schooling photos. Please send these in via email, memory stick or CD. Our Graduation Night is Tuesday 11 December; doors open at 6pm. Dress is smart casual. **NO SIBLINGS!**

*If there are blended families (Mum & step Dad or Dad & step Mum) please contact Mrs Curry or Mrs Booth with extra numbers for catering.*

**BOOKCLUB**

Please find Issue 8 of Book Club attached. This is the final Book Club for the year. This issue is crammed full of items and books etc. that would make ideal Christmas gifts.

Check out the Lego designed more for girls in the Extra Issue.

Please have all orders and money back to school by Friday 16th November.

Thank you for your support this year.

L. Dempster (Coordinator)

In The Classroom

P-2 NEWS

LIBRARY BAGS AND BOOKS. Every Wednesday afternoon students are reminded about bringing library bags and books for borrowing on Thursday. Sadly, many students are missing the opportunity to borrow books because they don't remember to return books and bring their bags. Our library is very well resourced and students benefit from regular opportunities to borrow and engage with books. Mr Brandseth and Mrs Dempster have set a challenge to see which class will be the first class to have 100% of students with bags and returned books? Come on P-2s, remember those books and bags and see if we can be that class.

This week we welcome Delta to Year 1. Students have given Delta a warm Bauple welcome and are helping her learn our school routines. On Monday we had an enjoyable time watching the BMX display at Glenwood. There were lots of stunts on the bikes and a message about bullying.

Over the next few days students will be presenting their poems for our English assessment. Students have been practising this in class time (poems didn't end up getting sent home but time has been allocated in class for preparation). They will be presenting these orally to the class and recording themselves on our easi-speak microphone. We look forward to hearing students recite their poems. Assessment has continued during Math time and students have been working hard on number and shape activities. During Science we have been making some simple toys that move. One was a mamma dur (spinning toy) and the other a knock 'em down clown (rocking toy). Students will be sharing their understanding about a selected toy for our first assessment piece. They will then begin designing and constructing their own toy (please remember to send in bits and pieces to help our students with their creations). SOSE this term has been finishing work on rules, rights and responsibilities. We have looked at our school in comparison to schools in other countries and the past. We will also be talking about our soldiers as we head towards Remembrance Day.

Enjoy the rest of your week!
Jess Chin

3 – 7 NEWS

This week has been very busy for all students in Years 3 to 7. The students in Years 3 and 4 have been writing poetry while students in Years 5 to 7 have been completing an analysis of the poem of their own choice as an assessment task. This week students will increase their knowledge of order of operations.

Science has been interesting with the upper class testing the reflection of light. Later in the week they will be testing solar panels and light bulbs. The lower class will be testing a variety of substances for their heat properties.

During SOSE Years 3 and 4 students are completing a Power Point presentation about an Australian primary industry, while Years 5,6 and 7 are completing their presentation to show their knowledge of the three levels of Government in Australia.
Susan Booth & Ruth Curry

WEWKLYAWARDS

STUDENTS OF THE WEEK
Back Row: Dakotah, Chris, Jade, Marshall, Broadie
Front Row: Melody, Hamish, Maya, Liam

“DOING THE RIGHT THING”
Chantal & Mark
Hi everyone, well the year is coming closer to an end very quickly. Don’t forget to get your donations in for the Christmas Hamper raffle, envelopes should go out next week and will be drawn on awards day. Please get your survey in to school so we can know what size bus to order for our trip to Wet N Wild and WetSide. Our next meeting is on the 20th Nov at 3:15pm in the staff room.

Tuckshop will be running as usual till the end of the year so as this gets closer I will not be buying any more stock, so we may not have things that your children like to eat. So please feel free to give me a ring on 4193 9050 to find out if we have what they like. Next week on roster is Belinda Wood and cooking is Chantelle and Belinda.

Thanks Sherry

BOWEL SCREENING INFORMATION

Do you know how to protect yourself against bowel cancer? While bowel cancer is one of the most common cancers in Australia, it is also one of the most preventable if detected early.

Bowel cancer is the second largest cause of cancer deaths in Australia, yet many Australians are unaware of its impact in the community.

An awe-inspiring event your family will be enthralled with

But make sure it’s an eye-safe experience!

Early in the morning on Wednesday 14th November, Australia will observe one of the most spectacular solar system events:

**A sunrise total solar eclipse!**

The only Australian cities that will see totality (when the moon completely obscures the Sun) are Cairns and Port Douglas, but every other Australian city and town, at or shortly after sunrise will witness an awe-inspiring partial eclipse - a golden Sun hanging low in the sky, crescent-blackened by an invisible moon.

This table shows details for the eclipse:

<table>
<thead>
<tr>
<th>City</th>
<th>Eclipse begins</th>
<th>Time of maximum eclipse</th>
<th>Sun’s altitude</th>
<th>Maximum coverage of Sun by Moon</th>
<th>Eclipse ends</th>
</tr>
</thead>
<tbody>
<tr>
<td>Adelaide</td>

</tr>
</tbody>
</table>

But it is VITAL for eye-health that children are made aware how to safely view the eclipse:

Millions of Australians will be outside in the early morning experiencing this amazing sight. But looking directly at the Sun when even the smallest part is still visible is very dangerous especially for children and can result in eye damage. **And don’t look at the Sun through film or X-ray negatives or CD’s or sunglasses!**

The danger to eyes from looking at the Sun during an eclipse is from heat radiation, ultraviolet (UV) radiation, and from light from the blue area of the light spectrum. The Sun’s UV rays can cause retinal sunburn, the heat radiation can literally cook the tiny areas of tissue where the light is focused in the eye, and blue light wavelengths can damage the macula (the spot near the centre of the retina used for central, high resolution vision) resulting in later age-related macular degeneration. **Children are especially vulnerable, because the yellow melanin coloration which helps protect the eye takes until adulthood to be fully laid down.**

And film or X-ray negatives, or CD’s or sunglasses DO NOT PROVIDE PROTECTION!

How you can safely enjoy the eclipse with your children by making for yourselves fun **indirect-viewing** eclipse-watching tools:

- Make a Pinhole projector...
- ..or a Mirror projector

Or purchase specially manufactured **Australian standards-approved** eclipse filter glasses to view the eclipse directly. These block out ALL of the Sun’s dangerous rays allowing you to view directly the progress of the eclipse.

Information on how to make a Pinhole projector, Mirror projector and an Eclipse viewing box can be found at the web site [www.EclipseEyeSafety-Australia.org](http://www.EclipseEyeSafety-Australia.org), along with more information about eclipse filter glasses, the Wednesday November 12th eclipse, plus information about eclipses in general.
