Start calling at 7:30pm

PANTRY THEME
AND THE Easter bunny might Visit.
Door Prizes, Raffles.

Enjoy some supper and A cuppa With some friends.

Recycling Fun Fact.
When organic matter, that’s green waste and food scraps, decomposes in landfill it generates methane, a potent greenhouse gas. It is better that organics are used to replenish our soils and gardens via compost and mulch, than to be lost to landfills where they contribute to climate change and global warming.

For more help starting a compost bin visit www.cleanup.org.au.
Tai Chi

Tai Chi is often called a “moving meditation” – and that’s exactly what it is. All forms of meditation have the following in common. The breath is rhythmic, the mind is empty and still and the physical world is transcended. This is usually only achieved after a lot of training. For most of us it is too difficult and a lot of us don’t have the time.

Tai Chi is different. The body is in motion. The nervous energy is taken care of to a certain extent by the slow, cyclical movements of the form. The mind is able to wind down and eventually switch off. The mental chatter ceases. This is achieved only when the movements have been learnt and no longer require any conscious effort to perform – so that the Tai Chi just happens by itself.

The slow, repetitive rhythm of the breath combined with the ebb and flow of the movements becomes your guide to inner quiet...letting go.

If you think, oh good I’m meditation you are not because you are back in the world of conscious thought. Meditation is without thought.

Numerous studies have shown Tai Chi improves muscular strength, flexibility and fitness. It also improves immunity, can relieve pain and improve quality of life. Muscle strength is important for supporting and protecting joints and is essential for normal physical function. Flexibility exercises enable people to move more easily, and facilitate circulation of body fluid and blood, which enhance healing. Fitness is important for overall functioning of the heart, lungs, and muscles. In addition to these components, Tai Chi movements emphasize weight transference to improve balance and prevent falls.

Tai Chi is held at the Bauple Band Hall on Monday nights from 6pm to 7pm. Lessons are only $3. Beginners are most welcome.

To find out more contact Hilary Horsburgh on 0447 021 151 or Mary-Anne Walters on 0438 374 091
Hi everyone and welcome to 2017. We hope you all had a safe and loving holiday season. We all know that summer is here and that we need some rain, it will come soon I hope. The heat has sure made itself known and a lot of people can’t wait for winter to arrive.

Firstly we must thank all the people that came to our combined Bauple Christmas party and helped make a very good night with lots of fun and laughter. Our Christmas party is developing a name for itself as a very fun way to bring in the season. Thanks goes to those that bought along food for the evening and to those that helped out with the setting up and cleaning up. Once that night was over we all took a well earned rest over the December break to recharge our batteries and think about what we want for the up coming year.

So on with the year we go, and we hope to have a good year at that. We have planed to have Bingo on the first Friday night of the month from 7:00pm onwards. We will have all our usual fun and laughter and lots of fun prizes. The second Friday will be our social night were we get together and share a meal. Sometimes that will be B.Y.O and other we will share a meal. These nights start around 6.00pm and we are thinking of also playing cards, or darts, or billiard's on the night. We would love to see some new faces come along and enjoy some local company.

Our calendar for this year has been worked on over the holidays and we have started our planing for the year. We plan to hold a Tombola on the 31st March. This will be another pantry Tombola with an Easter theme.

We discussed this years Bauple Nut Bash and ideas have already started flowing. If you have some fresh ideas or you would like to see something in particular, then please come along to one of our monthly meetings and put your ideas out there.

Our working bee’s will continue on a Tuesday and or Wednesday, we are getting through the work slowly but surely. As always thanks go out to Garry and Darren for the work that they continuously do to make the place look great. They have been talking about the next stage of work and it is all sounding very good. If you would like to lend a hand or some muscle it would be greatly appreciated.

Below is the list of our coming activities, we will try to keep this as up to date as we can. There may be times when due to the publication of the paper and timing of the event we may not have something listed but we will do out best to keep you up to date.

Finally our we would like to wish Debbie and Garry Brischke break and a well earned holiday. We hope that you enjoy your time away but we also hope you miss us and can’t wait to get home to Bauple. Enjoy.

So that is about it for now as it is a new start and there is not a lot to report but I’m sure it will fill up as the year goes on.

Take care, Stay Safe
Mary.

Weekly activities are Yoga on Tuesdays at 8:45am, Kids Club on Wednesdays at 3pm, Bauple Scouts on Thursdays 4:30pm and Bauple Bubs on Fridays 9am.

Bev Nutley (Secretary/Treasurer) phone 0439857068
Glenda Gall phone 54857334

Can you help? We want to improve our knowledge in the Mary, Noosa, Burrum River catchments and coastal region in between.

Information gathered will help to improve the plight of frogs through awareness and thoughtful management.

All records will be stored in the WildNet database (Queensland Government) where is can be accessed by researchers, planners and anyone who is interested.

Jump into being a frog searcher this February. You don’t need to be able to identify frogs, just record your observations, take photos and/or record their calls. We will do the identification.

A copy of the Queensland Museum pocket guide; ‘Frogs of South East Queensland’ is available to the first 200 frog finders.

Record sheets are available through the Mary River Catchment Coordinating committee office or website

Maryborough & District Committee

of the Ageing have a newspaper reading service for people who are visually impaired. The Fraser Coast Chronicle is read daily from Thursday to Wednesday and on Wednesday it is collated onto a C.D. which is then posted to the registered recipients that day. The service is free of charge to local residents. The news covers all areas, information, sports and even funerals and notices. The C.D. can be played on a general C.D. player or even in the car player as well.

This would be of wonderful assistance to someone who is no longer able to read a newspaper.

For further information please contact AnnMaree Hasselbach of the Maryborough & District committee of the Ageing on 41 231554

WHAT'S NEW AT TIARO STATE SCHOOL.

The 2017 school year is off to a racing start with a total of 33 students enrolled with 6 prep students to start the year.
We welcome Mr Nathan Campbell to our school as the new Prep 1/2 teacher. Nathan joins us from Eidsold.

Other teaching staff includes Ms Rhiannon Gane Principal/teacher, Mrs Andrea Ebert - senior Class Teacher Aide, Mrs Peta Jamieson - Junior class teacher, Mrs Narelle Grainger & Mrs Nicky Mundy - Reading Teacher Aides.

The students will commence swimming lessons in week 3, term 1. During our swimming days the students will participate in STEM (Science, Technology, Engineering and Mathematics) lessons at Maryborough State High school. This will be very exciting for all of our students.

As reading is our main focus we have started the year off with daily, whole school reading groups. This allows the students to work with all the teaching staff and students of different year leaves.

We are all excited for a wonderful new year at Tiaro
CONGRATULATIONS

Most of you know Gail from her work in Tiaro and surrounding community's and for her work out the back were no one sees her, but it is time for her to shine out the front.

Gail has finally been recognised and awarded the Australia Day Citizen of the year for Fraser Coast. Gail has worked for many years behind the scene and is a tireless work for such events as playing Hoy twice a month with the CWA and also visiting Petrie Gardens retirement home.

Gail devotes a lot of her time to the Tiaro CWA, Anglican Church and community Centre.

Gail was unaware of her nomination and was quit shocked when she was contacted by the Council. “I didn’t believe it at first, I wanted to burst into tears, to think that people had been so kind to put my name down”. “ It just goes to show that people don’t let things go unseen. Ill never forget… that people have been so kind”. Ms Nancarrow said..

Bauple Broadband

in the purple building opposite the museum - open to all locals and surrounding districts

Mon to Fri 9-12. Broadband is free
We are there for adults who want to learn computers, tablet, laptop or iPad. We have a volunteer who is happy to teach mathematics and IT for students going into high school.
We can help students with computer skills also as they enter high school.
Centrelink and Medicare are easy to contact using the internet.
If help is needed we teach English as a second language.

There is a JP available Mon and Thurs.

Any enquiries please phone Pat or Brian 41939239

Some simple facts of life.

Eating celery is technically exercise. When you eat celery you burn more calories digesting it than you consume.
Do not use chemicals to kill ants. Instead, get a spray bottle. Fill it with water and 25% salt.
Shake well, spray…. Boom, dead.
Never feed bread to ducks. They can’t digest it properly and it could kill them.
Falling air pressure causes pain in bird’s ears so if birds are flying low to the ground it almost always means a thunderstorm is coming.
According to a study, smelling rubbing alcohol can relieve nausea almost instantly.
ADVERTISING IN THE BAUPLE BULLETIN.
The Bauple Bulletin is a great way of getting your business advertised and seen by locals.

The cost of getting an add in is more the reasonable, $20:00 per addition or $100:00 per year when paid in advance.

You can receive the paper electronically if you supply the editor with your Email address. For more info contact Debbie On 41 292 243.
Bauple Rural Fire Brigade

We are in a period of heightened fire danger with a number of fires occurring in the area just this week. Please be aware and alert, ensure your properties are bushfire prepared and you have clear access for the Fire and Emergency Services. For more information on Prepare, Act, Survive and joining the Rural Fire Service visit www.ruralfire.qld.gov.au.

Residents are reminded before lighting fires they are required BY LAW to obtain a fire permit from the area Fire Warden unless the stack is less than two metres in any direction.

**Telephone contacts for the Fire Wardens are:**

Bauple Fire Warden - Mobile 0427 969 065 Bauple residents.
Tuan Forestry Fire Warden – (07) 5488 2123 This is the phone number to use if you live in Forest View or Talegalla area and require a fire permit. Our brigade is happy to have the fire permit faxed to our fire station after you have completed an application to burn. **The Fire Warden, according to weather conditions can cancel any permits that have been issued.**

Training is 1st Monday of the month, our Meetings are held on the 2nd Monday of the month, 7:00pm (19:00hrs) at the Fire Station. We welcome new members, your support is always appreciated. For further information please call Gil 0401 257848 or Helena 0411 691369 or you can contact us through our Facebook Page – Bauple Rural Fire Brigade.

Fax number to Fire Station – (07) 4193 9107

**In an emergency dial “TRIPLE ZERO” (000)**

Calls should be made to triple 000 when police, fire or ambulance attendance is necessary in an emergency situation. Simply advise which service you require, Triple (000) service only deals with emergencies requiring police, fire or ambulance.

When requesting an emergency service, it is important to:

- **STAY FOCUSED** – answer the prompted questions
- **STAY RELEVANT** – use for emergency assistance only
- **STAY ON THE LINE** – until you speak to the requested emergency service.

Stay Safe!

Helena Gale
**ASPERGER’S/AUTISM Support Group**

Are you living with or have in your life an adult who has Asperger's/Autism?

Life can be lonely, challenging, sad, overwhelming and more.

We have a meeting once a month to share our problems, maybe find a solution from another carer-or just to know we aren't alone.

The meeting is in a private room, without any experts-just people in a similar situation.

phone Pat 41939239 for more information

---

**TIARO MARKETS**

2nd Saturday Monthly
Tiaro Memorial Hall
7am - 12noon
Please contact Gail one week ahead if you need insurance. Food and drinks available on the day.

Ph 4129 2237 or 0408782200 and leave a message for info.

---

**TAYLOR STREET COMMUNITY LEGAL SERVICE**

The Taylor Street Community Legal Service is a non-profit community service which provides free non discriminatory legal advice to socio-economically disadvantaged people in the Fraser Coast, Bundaberg, North Burnett and Cooloola Coast regions.

**All free legal advice sessions are by appointment only**

Maryborough - Please call in to the Maryborough Neighbourhood Centre (25 Ellena Street) or call 4121 2141 to make an appointment

Burrum Heads - Please call 4194 2663 for appointment

Tiaro - Please call 4194 2663 for appointment

Advice is free and all consultations are private and confidential. However due to limited resources and time there is a maximum of 15 minutes for each consultation.

For further information about the Taylor Street Community Legal Service please call 4194 2663.

---

Welcome to another year of tennis. Hopefully you all enjoyed the holiday break - despite the heat. It was a good excuse to stay indoors and watch some of the awesome tennis matches that were held in Brisbane, Perth, Sydney and finally in Melbourne - the Australian Open. What great finals they were! Who would have predicted and all Williams women’s final or that Federer would beat Nadal in the men’s final? Just goes to show what a great game tennis is. It’s just as much a mind game as a skills game. Thanks Venus and Serena. Thanks Rafael and Roger.

Meanwhile back to tennis at Rossendale. If you are a member your $30 annual membership is due for renewal. If you are a junior (under 18 yrs) your $10 membership is now due. Anyone wishing to join the club, don’t delay, get in contact so we can get you on the database for Tennis Qld player insurance, discounted court hire and other member benefits. We always welcome new players.

Hot Shots/Tennis Coaching - Gympie and District Tennis Association Coach Matt Watkins will commence the Hot Shots Coaching program on Friday 10th February at the Rossendale Tennis Club. Lessons will be held Friday afternoons from 3.30pm to 4.15pm for the Beginners group (ages 5-9) and 4.15pm to 5.00pm for Intermediate group (ages 10 and up). The program is for a minimum block of 7 weeks. Costs will be $75.00/pupil, $140.00 for 2 children or $190.00 for 3 children in the same family. Loan racquets are available each week. To register for the program phone Matt on 0417070129 before Friday 10th February. Cash payment or Cheques payable to Brett Cottrill please. Direct Deposit : B A COTTRILL BSB 014585 ACCT 583359786 student's name as reference please. We accept Get Started Sporting Vouchers to join the club and for coaching.

We have two synthetic grass courts available for hire. The courts cost just $8 an hour for day hire and $12 an hour for night hire. Late afternoons or early mornings are great if you don’t want to be out at night. All you have to do is give us a call so we can book you in.

As a special offer for 1st time players who wish to come and try Friday night tennis, we are attaching a FREE - 1ST FRIDAY NIGHT TENNIS voucher that can be used on any Friday night at the Rossendale Tennis Club. This offer is limited to one voucher per person. We have tennis racquets available for use. Play is from 7pm to approx. 9pm.

The courts are located at 38 Bauple-Woolooga Road – just off the Bruce Highway and opposite the southern Bauple entrance/exit. To hire courts or for enquiries contact Secretary M-A Walters on 41292589 or Mob: 04 3837 4091 or email: mwalters198@gmail.com also for court Hire phone B & C Maxwell on 41 292391 or J & L Kelman on 41 293212

See you at Rossendale!
Mary-Anne Walters – Secretary

Tiaro Field Day – 8th July

This is becoming a showcase event in our district with its popularity on the increase. Members of the organising committee are working hard to make sure this year’s event is at least as good as previous events, if not better. Already there is a Facebook page (Tiaro Field Day) up and running, so you can keep up to date with details of the event or use it to get in touch with the organisers. Details of the event will also be on the newly developed website, www.tiarolandcare.org with information for businesses, sponsors and attendees. We are organising demonstrations and hopefully a forum around the theme of Smart Farming which will also include sessions relevant to gardening.

Co-operation between groups adds loads of value to the capacity of individual groups. This success and scale of this event is due in no small measure to Tiaro Chamber of Commerce and Tiaro Landcare working together with a common focus of providing opportunities for businesses to showcase their products, community groups to promote their activities and for our community to have access to experts in caring for the land (soil, plants & animals).

Due to the very dry summer, the number of clutches laid by Mary River turtles was down on previous years. So far 120 have hatched from nests that Tiaro Landcare members have protected. The Land Protection Branch of Gympie Regional Council have been working with us to reduce the wild dog population from near the nesting banks in the Traveston reach of the River. Hopefully this will reduce the number of eggs being predated by wild dogs in addition to reducing the number of calves being attacked. So far they’ve captured over 50 wild dogs between June & Dec last year.

Just this week we’ve had a visit from Jo from the Goulburn-Broken River Catchment Management Authority who was very interested in our turtle conservation project and our current research partnership with the Accoustics team from Australian Rivers Institute at Griffith University.

A short Youtube clip has just been produced on the Last Giants of the Mary, https://youtu.be/4FMU0GzsCxE. Within two days, this clip had been shared around the world including by British and German turtle groups. On Sunday last, ABC TV broadcast Two on the Great Divide, starring satirist John Doyle and scientist, Tim Flannery. It featured the Mary River turtle and was filmed at the property of a Tiaro Landcare member. If you missed it, the DVD maybe available for borrowing from the Library.

Date claimer for 2017: Tiaro Farming & Lifestyle Field day 8th July 2017

Marilyn Connell
Secretary, Tiaro & District Landcare Group

We open our doors at 8:30 to 12:00
Located in demountable building at the Bauple Recreation Ground
Gold coin donation

Can’t wait to meet you !!!
WELCOME TO BAUPLE

Bauple State Primary School, has had the pleasure of welcoming our new Principal. Her name is Ms. Louise Parry and she comes to us from Mountain Creek State School. Louise has done the role of acting Principal at other small schools. We also would like to welcome her partner and 3 children to Bauple. Jasper the eldest goes to St Mary’s State High, her twin girls, Juliette and Francesca are here at Bauple State School.

Louise has fitted into Bauple State School very well and seems to be enjoying her time with us so far. We hope that she enjoys her time here at Bauple State School and we hope to see her at many local functions and events.

Louise loves different flavors of food with a nice glass of wine or perhaps a chili cold beer on a hot summers day. She likes listening to music and enjoys the arts.

When talking about Bauple State School Louise says “I would like to see Bauple School be a integral part of the community. To see it grow and develop into a school that is involved with and part of this town we call home”.

Louise would like to thank everyone that has welcomed her so far and feels like she is settling in. We all know how hard it is to move to a new town and try and find her way around, so if you see Louise around say Hi and make her feel like she is home in Bauple town.

Thanks Louise.

EXTENDED THE LOVE

A DANCE FOR EVERYONE

Now it is time for Bauple to dance the night away and have fun and the

BAUPLE BAND HALL

18th Feb with a 7:00pm start
MUSIC will be from
