WANTED TO RENT
House in Bauple area. Ph 0409 611 404

Condolences
To Gail Warwick and family for the sad loss of Major, her husband of nearly 40 years. Our thoughts and wishes are with them all.
Maryborough & District Committee of the Ageing have a newspaper reading service for people who are visually impaired. The Fraser Coast Chronicle is read daily from Thursday to Wednesday and on Wednesday it is collated onto a C.D. which is then posted to the registered recipients that day. The service is free of charge to local residents. The news covers all areas, information, sports and even funerals and notices. The C.D. can be played on a general C.D. player or even in the car player as well.

This would be of wonderful assistance to someone who is no longer able to read a newspaper.

For further information please contact AnnMaree Hasselbach of the Maryborough & District committee of the Ageing on 41 231554

Bauple Broadband

in the purple building opposite the museum - open to all locals and surrounding districts

Mon to Fri 9-12. Broadband is free

We are there for adults who want to learn computers, tablet, laptop or iPad. We have a volunteer who is happy to teach mathematics and IT for students going into high school.

We can help students with computer skills also as they enter high school.

Centrelink and Medicare are easy to contact using the internet.

If help is needed we teach English as a second language.

There is a JP available Mon and Thurs.

**Bauple Nut Bash** - I would like to give a big thank you to all who helped with the Bash and all who attended. It was another great day with free activities for the kids, markets, food, drinks and competitions. This year the ‘Nut Cracking Competition’ saw a record number of entries and was hotly contested with Bruce Saunders MP even trying his hand. The eventual winner was Ben Smith, a backpacker from U.K.

Our sponsors this year were F.C.R.C., Fraser Coast Apex Club, Bruce Saunders MP, Tiaro Pharmacy, M & M Liddell, Tinana Creek Plantation & Vulcan Fireworks.

Thanks also to Mary, Merv (our wonderful minion music man) and the Bhopple Faeries for keeping us entertained during the afternoon. The night crowd was entertained by ‘The Shills’ from Brisbane.

We were also pleased to able to invite the Bauple Band Hall, Bauple School P&C and the Bauple Progress Assoc. to raise much needed funds.

Our minion piñata was again very popular, with plenty of kids lining up to have a bash to get some lollies. Many thanks to Helena for all her hard work on making our minion mascot and the Leanne for making him so welcome by showing him the sights of Bauple and surrounds.

**Kids Club** - we are pleased to be able to support the newly formed Kids Club that will be held at the Bauple Recreation Ground every Wednesday afternoon 3 - 6pm. For only $2 the kids get to do craft, have fun outdoors and learn some great stuff. Well done Cath and team!

**Koala In Crisis Forum** was held at the Q150 Rec Centre on Friday 7th Oct and was attended by up to 80 people to hear about and discuss the future of the koala. Our members were kept busy catering morning tea and lunch. We thank the organisers for the opportunity to showcase the Q150 Rec Centre as a great venue for workshops and our members for catering.

**B.P.A.** held their last meeting in our centre on Saturday 13th August, and it was great to see so many locals come to support this committee and see Bauple move forward. I would like to thank John, Bill and Barb for their efforts and support. It was great to have Bruce Saunders MP and Anne Maddern attend and hear what the residents want.

**COMING ACTIVITIES**

BAUPLE KIDS CLUB

The first two weeks of kids club have been awesome, and a LOT of fun, with just over 20 kids attending each week.

The arts / craft tables have been very popular; we have many creative young minds in Bauple!
The school principal has kindly given us access to the school sports equipment, which the kids made good use of this week, designing their own obstacle course on the oval. It worked well... sometimes!
Our weekly fees ($2/child) have provided us with plenty of fruit and sandwiches, because EVERYONE is hungry after school!

Thank you for the donations we have received for our garage sale thus far. Your support has allowed us to stock up on glue, paint, sandwich spreads etc
Our garage sale is ongoing and we hope to raise more funds to begin working on our Christmas crafts and end of year party.

If you have items you no longer use, please consider donating to kids club.
Huge thanks to the rec grounds committee, community members, parents and helpers who have helped kids club to get started. Your support is very much appreciated!

QCWA Gootchie branch Annual Scrabble Day held on September 22nd 2016

There were 21 people in attendance with 16 serious Scrabble players. The day was in a way remembering Diana Wilson who instigated the original Scrabble Day Challenge in 2004, with the first contest in September 2005. Diana passed away prior to our day on September 13th after a long battle with cancer. Members were pleased that Diana was well enough to attend our August meeting; Diana will be missed by all who knew her.

Members attended Diana’s funeral service and catered for her wake at Curra.

The winner this year was Grace Rae (one of our members who has recently retired to Redcliffe), second was Sue Olsen (Gympie) and 3rd was a newcomer from Maryborough Bronwyn Blair.

Everyone played 4 serious games stopping for a quick Lunch of Pumpkin soup, Finger food and Apple Crumble and Custard.

Diana’s husband Don also came along for the day where he donated 2 of Diana’s Scrabble boards for our use in future games, of which the Branch is most appreciative. Terry Tomsett was a great MC and organizer of the Scrabble games for the day, he and Grace drove up especially for the day. It was a great opportunity for everyone to catch up.

2016 Melbourne Cup Day Tuesday, November 1st

We will again be holding our Annual Melbourne Cup Day with all the usual fanfare………Prizes for the prettiest hat, the lady wearing the colours of the Winning jockey and of course a great Sweep. There will be raffles and a monster Tombola held during the day. Doors open for morning Tea at 10am.

A reminder that we have changed our meeting day to the second MONDAY of the month at 9.30 am with craft to follow. This day suits more people and we are hoping we may attract some new members.

For information regarding Gootchie CWA please contact Lyn Kelman on 4129 3212 or Secretary Amber Chapman 0429 798 641

Bopple Surgery - Tiaro

is delighted to announce that Dr. Mahdi Mohammadi joined the surgery on 31st August 2016.

Dr Mahdi obtained his Doctorate of Medicine in Iran in 2001 and has 11 years’ experience working as a General Practitioner in Iran.

He will be undertaking a period of clinical observership at Bopple Surgery to familiarise himself with medical practice in Australia.

As a clinical observer he will be “observing” Dr Baudoeuf in her consultations with patients. Any patients who do not feel comfortable with Dr. Mahdi present in the consultation can advise our Reception staff prior to their consultation.

Once he has completed his period of observership and is registered with the Australia Medical Board it is anticipated that he will commence practice as our second doctor.

Please welcome and support Dr. Mahdi when he arrives.

During our last AGM, Robert (Bob) Maxwell our First Officer and Carolyn Maxwell our Secretary tendered their resignations from our Brigade. We would like to pay tribute to Bob and Carolyn, our mentors and dear friends who have diligently served the Bauple Rural Fire Brigade and the community for over thirty years. Their presence in our Brigade will be greatly missed.

We thank you Bob and Carolyn for the countless hours and tireless efforts you have put into the Brigade, to help make it what it is today. Bob was also the Mt Kanigan Group of local Brigades Training Officer. Congratulations to our new Secretary Gil Manwaring and First Officer Gerry Gale.

Residents are reminded before lighting fires they are required **BY LAW** to obtain a fire permit from the area Fire Warden unless the stack is less than two metres in any direction.

ROSSENDALE TENNIS CLUB INC.

If you were to call into the courts on a Friday afternoon you would see lots of young players, from all around the district, enjoying the Hot Shots/coaching sessions run by Coach Matt Watkins. Then on Friday night starting at 7 pm, you could join in the fun as club members participate in mixed doubles social tennis. The number of players varies as we have members who regularly travel the world. Otherwise they are there having a laugh and a chat, while getting a good dose of exercise. What more could you ask for? Maybe another night would suit better or you might prefer to start your own night? No Problem. Just ring and ask – it can be done!

We encourage more locals to get active and put 38 Bauple-Woolooga Road in your GPS so you can find our little gem of a club (if you haven’t already done so). It’s been operating there since about 1935 so it’s probably time you paid a visit. For the many young adults around the area who played on the courts as kids - they have vastly improved since those days! Let your kids could experience tennis at Rossendale - just take the time to hire the courts, day or night. They will love it! It is only $8 an hour for day hire and $12 an hour for night hire. Rossendale Tennis Club yearly membership costs just $30 and $10 for Juniors. So cheap!

Term 4 Hot Shots/coaching commences on Friday October 14th at the Rossendale Tennis Club. Please contact Matt on 0417 070 129 to book your child in for Term 4. Lessons will be held Friday afternoons from 3.30pm to 4.15pm for the Beginners group (ages 5-9) and 4.15pm to 5.00pm for Intermediate group (ages 10 and up). The program is for a minimum block of 7 weeks. Costs will be $70.00/pupil or $130.00 for 2 children in the same family. Loan racquets are available each week.

ALL PLAYERS WHO SIGN UP WILL RECEIVE THE NEW HOT SHOTS TENNIS SHIRT! Cash payment or Cheques payable to Brett Cottrill please. Direct Deposit : B A COTTRILL BSB 014585 ACCT 583359786 students name as reference. Get Started Sporting Vouchers are accepted to join the club and for coaching. “Congratulations” to all the kids and parents for getting active in a sport that can last a lifetime.

The courts are located at 38 Bauple-Woolooga Road – just off the Bruce Highway and opposite the southern Bauple entrance/exit. To hire courts or for enquiries contact Secretary M-A Walters on 41292589 or Mob: 04 3837 4091 or email: mwalters198@gmail.com. Court Hire phone B & C Maxwell on 41 292391 or J & L Kelman on 41 293212

See you at Rossendale!

New carers welcome
Consequence of land management decisions may not be evident for decades

Sediment running off farms is costly for landholders and the Qld and Australian governments and consequently, all taxpayers. On our Landcare farm walk last month, our members saw first-hand the impact that it can have on a local property. The loss of precious soil is a cost to productivity that is borne by the landholder. Off farm, increased sediment impacts the water quality in the creeks & the Mary and finally ends up impacting the Great Barrier Reef. At our last Landcare farm walk we were shown how one landholder has worked with Mary River Catchment Co-ordinating Committee and rehabilitated a major gully washout. To repair it, the washout was lined with a geotextile, extensive earthworks were carried out and tons and tons of rock were deposited, all costing tens of thousands of dollars. Early settlers weren’t to realise that extensive thinning of Eucalypts along gully lines would eventually result in a massive change to the stability of the gully. It wasn’t until the area was subject to the major flooding of 2013, that the consequence was realised of land management decisions that were made decades earlier. What was a gentle dry gully became a 10m deep washout. Now the landholder has changed his management with the hope that such catastrophes don’t reoccur on his property. He urged everyone to understand their soils, particularly those that are vulnerable to eroding.

Ben Curley, the Land Protection Manager from Gympie Regional Council was the Guest Speaker at our Sept meeting. He gave a very informative presentation on the latest control options for Wild dog control. The Council is partnering with Tiaro Landcare in undertaking wild dog control in the vicinity of key turtle nesting banks in the Gympie region. It’s a win win, with reduced killing of farm animals, reduced predation of turtle nests and reduced killing of adult nesting turtles.

Our next general meeting will be Wed 19th Oct at Landcare House. Topic for discussion will be our Mary River turtle project.
Tiaro Landcare will be hosting a bus load of Maroochy Landcare members on the morning of Sat 12th November in Tiaro.
Everyone is most welcome to join us at this or any other of our monthly meetings or activities.
Join our Facebook ‘community’ who represent over 40 countries to keep up-to-date with Tiaro Landcare’s activities.

Meeting Place: BAUPLE REC. GROUNDS

All sections took part in Scouts In Action month which this year was about the Cub Section being 100 years old. So the Scouts took part in a Pack programme and learned about what types of activities were done back in the “Old days”. Some comments were that they were glad they didn’t have to do quite the same as then. They have all earned the badge.

Some of the Scouts went to an abseiling and archery day to Wyper Park Bundaberg and had an enjoyable day.

The Scouts have the option of going on the JOTA/JOTI camp from Friday afternoon 14th October till Sunday afternoon. While the Cub Scouts are going on Saturday morning and camping over till Sunday.

The scouts are also planning to do a Patrol Activity which will gain them a Patrol Activity badge which is part of the requirements for earning a cord.

Two of the Cub Scouts are starting their Link badge ready to advance to the Scout Troop by the end of the year.

We have just signed up two new members which means we now have 1 Joey Scout, 8 Cub Scouts, 10 Scouts and 3 Venturer Scouts. New members are always welcome.

We are also interested in getting some new Leaders for the scout section as our present Scout leaders have health issues that don’t allow them to do as much as they would like to. An assistant Cub Scout leader would also be welcome.
