I would like to congratulate the parents/guardians and students at Bauple State School for the fantastic choices they are making when packing lunches/food items for consumption at school.

It is extremely pleasing to see a wide range of healthy options being included in school lunchboxes for students to enjoy during the 2 main lunch breaks provided in the school environment.

Providing our students with healthy and nutritious meals for consumption greatly assists our staff to provide each individual with the best possible opportunity to efficiently operate in school based and social development activities.

Healthy Lunch Choices / Healthy Lifestyles / Healthy Students

It is important that children and young people get the best nutrition possible to ensure their health and wellbeing. Good nutrition can help children to: build healthy bodies and minds; stay alert in class and be energetic all day; maintain a healthy weight; and fight infections.

Providing our students with healthy and nutritious meals for consumption greatly assists our staff to provide each individual with the best possible opportunity to efficiently operate in school based and social development activities.

‘Principal’s Award’ and ‘Student of the Week Award’ recipients

The Principal’s Award has been awarded this week to Sekai in Year One. Sekai has been displaying great enthusiasm towards all school activities.

Sekai is an intelligent student who has been putting in an excellent effort in all classroom activities. He has been achieving success in all subject areas due to his displayed efforts.
collaborative approach to learning with his teachers and peers and engagement in all lessons. Sekai is achieving great success with his academic development through the outstanding efforts he is putting into his school work. ‘Only Our Best’.

I would like to congratulate all of the ‘Student of the week’ award recipients for the effort they have put into their school based activities.

**P & C Association Movie Night – Friday 12 August, 2016**

On Friday night (12 August, 2016) students at Bauple State School are invited to attend the ‘Movie Night’ organised by the Bauple State School P & C Association. Participation in the social event will be $5.00 per student to cover the cost of dinner food items.

The evening will begin with a delicious chicken and gravy rolls dinner served at 6:00 p.m. with the movie (Adventures in Zambezia – G rated) being screened in the undercover outdoor area at 6:30 p.m. Students and supervising parents/carers will enjoy ice-cream and popcorn food items during the evening. The ‘Movie Night’ event will conclude at 8:15 p.m. All members of the Bauple State School community are invited to attend.

**Auskick (Australian Rules Football) Program at Bauple State School in Term 3**

Participating students from Bauple State School will continue their involvement in the ‘Auskick’ Australian Rules Football program on Thursday morning (11 August, 2016). The first two Auskick sessions have been well attended and the students have provided school staff with positive feedback regarding the exciting activities offered and the encouragement received from the Auskick program facilitators.

Congratulations to Ameliya who was awarded the Week 2 ‘Champion Auskick Participant’ certificate for her eagerness in working with team mates to complete training activities.

The Auskick program will continue to run over a 7-week period (28.07.2016 – 08.09.2016)

**Book Club**

The next issue of Book Club is attached, please have orders and money or vouchers back to the school office by Friday 19th August.

**Tiaro Arts & Crafts Festival – Saturday 13 August, 2016**

Artworks from all students (Prep – Year 6) at Bauple State School will be displayed as a part of the 2016 Tiaro Arts Festival. The event will be held from 9:00 a.m. – 3:00 p.m. on Saturday 13 August at the Tiaro Community Hall and Shire Council buildings.

**Bauple State School – P & C Association**

The next Bauple State School P & C Association Meeting will be held on **Tuesday 23 August, 2016**. The P & C Association is an integral part of our school community and we encourage all community members to attend the meetings to contribute their ideas and thoughts.

**School Bus Transportation**

Students travelling to and from Bauple State School on bus transportation in the morning and afternoon are reminded of the behavioural expectations they must meet while travelling on public transportation. It is expected that all students will exhibit appropriate social behaviours and abide by the ‘Code of Student Behaviour for School Bus Travel’ established by the Queensland Government.

I am requesting that any parents/guardians who wish for their child to travel home from school on selected days or on specific occasions through private transportation to kindly inform the school administration office of these arrangements. If school staff aren’t informed of these individual arrangements this may lead to unnecessary confusion regarding student collection.

P/1/2/3 NEWS

It is hard to believe that the half way mark for this term is almost here! Students have been busily working at school. This week we commenced our individual rhymes. Prep students have written a rhyme about Mr McGee and Year 1, 2, 3 students have created a character to write a rhyme about. Our rhyming skills have improved over the past four weeks! We have been talking a little about the Olympic Games in class. We suspect quite a few of our students have been watching highlights as we have students contributing their ideas and experiences during class discussions. During Art we have been learning about primary and secondary colours. We have some colourful pieces being created. Some of these will be showcased at the Tiaro Arts Show this weekend.

It is great to see some of the Premier's Reading Challenges coming in. We hope to see more completed and returned so that certificates can be organised. Regular reading is key to literacy development so well done on your big effort!

Enjoy the remainder of your week.

3/4/5/6 NEWS

As the competition of the 2016 Rio De Janeiro Olympic Games is in full swing, students are keenly watching and discussing the achievements of the Australian athletes. It is great to see the students recognising the hard work, effort and personal achievements from the competing athletes. Many students have been paying special attention to and closely following the athletes they have researched and featured in their Olympic Games assignments.

Students are currently working on their C2C Mathematics tasks in class. We are in the assessment phase for the learning concepts of: fractions, decimals and percentages. Students will begin revising their knowledge of digital and analogue time and the use of 24-hour time in our everyday lives.

Geography lesson have been focused on the continent of South America and the country of Brazil. Students have been learning about Olympic Games host nations and the importance of the Olympic Games in the history of showcasing Australian cultures (Melbourne – 1956 and Sydney – 2000).

Students have been busy completing their sporting themed mosaic artworks. Completed artworks will be displayed at the Tiaro Arts Festival (Saturday 13 August) as a part of the Bauple State School display.
