Under the agreement for 2015
Bauple State School will receive

$18,960*

*Estimated on 2014 data. Actual funding will be determined after 2015 enrolment data is finalised.

This funding will be used to

- Ensure all students enrolled at Bauple State School in Year 3 and Year 5 are at or above the National Minimum Standards (NMS) in Reading before the end of the 2015 school year.
- Ensure all students enrolled at Bauple State School in Year 3 and Year 5 are at or above the National Minimum Standards (NMS) in Numeracy before the end of the 2015 school year.
- Provide individual educational assistance for students in Prep – Year 6 at risk of not meeting National Minimum Standards (NMS) in Reading and Numeracy.

Our strategy will be to

- Collaborate with North Coast Region designated ‘Success Schools’ coach and mentor to develop the professional capacity of our teaching team and teacher aides through a dedicated program of clear and explicit instructional supervision and coaching (Success Schools – Phase C).
- Implement a whole school intensive reading support program (Rapid Reading Program) to develop student knowledge of reading strategies and increasing reading skill capabilities.
- Provide educational assistance and intensive support for students in Prep – Year 6 to increase their academic capabilities in Reading and Numeracy.
- Implement a teaching staff focus on ‘Short Term Data Cycles’ to provide regular feedback on student progress in targeted learning areas (Reading and Numeracy).

Our school will improve student outcomes by

- Allocating funding for the purchase of new reading resources. $3,500
- Allocating funding for the purchase of new numeracy resources. $1,000
- Allocating funding for the purchase of teacher and teacher aide resources to support the implementation of intervention and educational development strategies. $460
- Employment of additional teacher aide personnel to work with reading success coach/mentor and support with the implementation of whole school intensive reading support program. $14,000
